### Three Months Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the next three months. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

#### **From about: 1 January 2009 to about: 9 January 2009**

 transiting your natal 11th House

##### **Association**

Your focus is now on friendships, group associations and intellectual pleasures. You will now surround yourself with friends and acquaintances, possibly joining new groups or clubs. If needed, friends will now offer help and support. Do not try to go it alone, you will now work and play better in a team effort. However, suppress the desire to always be the leader of the team, as you may not necessarily be the right person for the job.

#### **From about: 1 January 2009 to about: 1 March 2009**

 transiting your natal 12th House

##### **Unfinished business**

Your focus will now turn towards spiritual, charitable or religious matters. Your ability to communicate clearly may also be restricted or hampered in some way. Finding yourself influenced by irrational thoughts rising up from the depths of your mind, you may feel slightly out of control. What you need is peace and quiet. Meditation or relaxation would help ease any oncoming panic attacks. In this way you can bring to the surface hidden memories so that they can be examined, dealt with and then cleared away.

#### **From about: 1 January 2009 to about: 29 January 2009**

 transiting your natal 1st House

##### **Appreciative**

Your focus is on fun, harmony and compromise, you will go out of your way to avoid conflicts. Your easy-going charm and friendliness will now attract others and you will enjoy being surrounded by friends. Acting as a mediator, friends may ask you to help resolve their differences. You will also find that, with little persuasion, you can usually get what you want from others as they will understand that you are willing to give as much as you receive. Money will be spent on some of life's little luxuries.

**From about: 1 January 2009 to about: 21 January 2009**

♂ transiting your natal 11th House

**Initiative**

You are directed towards friendships, activity within groups, clubs and associations. You will have a natural ability to rouse your friends into action, maybe too much, as there is also the possibility of disagreements with one or all of the above. Nevertheless, it is a good time for team sports and for working in a team effort to advance a cause. Also use this time to plan for your future and pursue your dreams. Work today for tomorrow's rewards.

**From about: 1 January 2009 to about: 27 March 2009**

♃ transiting your natal 12th House

**Hidden senses**

Searching for a deeper meaning to life, mystical, metaphysical and religious matters will now attract you. You may join a group, or meet an individual, who will teach you a new philosophy or provide a more spiritual outlook. On the other hand, you may take up the role of teacher yourself. Either way, you will feel genuine sympathy for those in need and will want to help in any way you can. Just one word of warning, beware abusing alcohol or drugs.

♁ transiting your natal 7th House

**One-to-one**

Close relationships and business partnerships could now be tested, with burdens being placed upon you. As dealing with these demands will require great patience and effort, the strain on more unstable relationships may prove too much. Possible break-ups or career commitments could add additional strain. You could also resist becoming too involved with others out of fear of being rejected or a fear of becoming too dependent. Professional responsibilities could also become more demanding. You may get more recognition but you will also have to prove your worth. Live up to your word, do not renege on promises or commitments.

**From about: 1 January 2009 to about: 31 March 2009**

♈ transiting your natal 1st House

Surprising changes are now likely which may cause you to see life in a completely different way. Feeling restless and rebellious, you will now want to be different from the norm and will want to make your own way in life, possibly even shocking others with your unpredictable way of behaving. You will now have an electric aura that others may either find attractive, or difficult to handle. You will not like being taken for granted and you will need to be seen as an individual with the freedom to make your own choices and be yourself. A marriage or partnership that cannot adjust to the new you may now end.

**From about: 1 January 2009 to about: 31 March 2009**

♆ transiting your natal 1st House

**Impressionable**

You may now choose to view life through rose tinted glasses or possibly have difficulty in establishing a sense of self-identity. Meditation or psychotherapy would be helpful. There is also a danger of turning to hard drugs or alcohol to alleviate the harsher realities of life. This is not a good time to gamble or make financial investments. Nevertheless, at its most positive, this should be good time for those in the caring or helping professions as the sensitivity of Neptune will allow you to have compassion with others. Neptune may also surrounded you in a cloud of mystery, which others may find enigmatic, alluring and attractive.

**From about: 1 January 2009 to about: 31 March 2009**

Transiting ♃ ✖ your natal MC

**Pooled resources**

Because of your good sense of fun, enthusiasm and willingness to co-operate and pool resources with others, help, support and new opportunities will come from unexpected sources. Your talents and abilities will be noticed, especially by people in authority. Your own previous generosity is now likely to be returned.

Business deals and financial transactions should now work to your advantage. Contracts and agreements are likely to be negotiated without delays and proceed smoothly through to completion. This could therefore be an extremely profitable time to make major purchases or investments. Cash flow should also, finally, improve.

This could also be an excellent time to plan for the future because no minor details will escape your notice. You may decide to embark on a new field of study, or retrain for a completely different career. In any case, you will probably feel an insatiable need to learn as much as you can.

You may find yourself dealing with the public much more than usual during this time, so be confident, because the outcome could be extremely successful.

Transiting ♃ ♀ your natal ♂

**Start of a new 29.5 year cycle of 'controlled actions'**

**Careful conduct**

During this time, you will either be capable of extremely hard work, with a determination and energy to drive you onwards and upwards; or you will simply feel that no matter how hard you are trying you are getting nowhere fast.

Either way, at the moment, patience will not be your strongest virtue, so just be careful that you don't step on a few toes along the way. Feeling withdrawn and somewhat irritable, you may become so pre-occupied with your own responsibilities and ambitions, that the usual polite courtesies and considerations are neglected. Beware being too harsh and unsympathetic. At the moment frazzled nerves could ignite even the smallest flame of anger into a raging inferno.

However, if this tremendous energy can be focused in a positive way, there is little doubt that during this period, you will be capable of achieving some astounding results - mostly created through a practical, disciplined and extremely systematic attitude to work.

But there may be problems with authority figures. This could be a superior at work, parents, or even legal and military matters. Others may see you as a threat.

**From about: 1 January 2009 to about: 19 February 2009**

Transiting ♃ ♄ your natal ♀

**Passions**

Jealousy, possessiveness and uncontrollable anger could cause conflicts in romance and relationships, and yet heightened powerful passions will increase your sex drive. This combination could either produce fiery passion, strengthening already inextricable bonds of love, or the blazing tempers and rows that could tear the relationship apart. The temptation to succumb to a secret love affair may prove irresistible.

Unexpected events may certainly cause disruption in your love life - and you may become involved in an intense whirlwind love affair. Emotions will be both unpredictable and unstable.

**From about: 2 January 2009 to about: 3 January 2009**

**Racing ahead**

In trying to achieve too much too quickly you may end up achieving nothing at all. Therefore if your mind is racing ahead of itself slow down this frenetic pace to avoid mental overload and nervous exhaustion. Postpone important decisions until you can consider issues more carefully, and take particular care when you travel.

**Sympathetic listener**

More in tune with your own feelings, you will now be less wary than usual of sharing these innermost emotions and thoughts with close friends, family and lovers. Women, in particular, could lend a sympathetic ear. But this same compassion and genuine interest in loved ones will make you a sympathetic listener as well, and therefore, friends could come to you for a shoulder to cry on.

**From about: 4 January 2009 to about: 5 January 2009**

Transiting ♃ ♄ your natal ♀

**Lady luck**

Lady Luck could be calling during this time, so make sure that you leave your door wide open! Feeling relaxed, easy going and sociable, many opportunities will seemingly just land in your lap, but they are actually the accumulation of previous hard graft. Spend as much time as you can with your lover - this could be a tremendously romantic period.

**From about: 4 January 2009 to about: 6 January 2009**

Transiting   your natal

**From about: 5 January 2009 to about: 7 January 2009**

Transiting   your natal 

**A bit down**

Because of extreme emotional sensitivity, even the slightest hurt or misunderstanding with loved ones or friends will cut you to the quick and upset you deeply. You may feel alone and isolated. Take care not to overreact by smothering other people with your affection; being overprotective could equally alienate loved ones.

**From about: 5 January 2009 to about: 13 January 2009**

Transiting   your natal 

**Start of new 11-12 year period of 'growth and development'**

**Good fortune**

These next few weeks could be an extremely fortunate period for you, both on a material level and with regard to personal understanding and growth.

Significant changes are likely during this new Jupiter cycle, but mostly because of your own deeper understanding of what you want and expect from life. Some good should now occur; it may be a person or an event that triggers the challenging and exciting opportunities that should present themselves to you. Look forward to the increased freedom that should allow you to follow your dreams and tread your own individual path.

If Lady Luck does smile upon you, then be prepared to share some of your good fortune. The more you give, the more you are eventually likely to gain.

Expect some contact from abroad, either in personal or business matters.

**Listen to your dreams**

Being more concerned and sympathetic with other people's needs rather than your own, you will be willing to devote much time and energy to lending a helping hand to anyone who needs it. Thoughts are also likely to turn to more spiritual and religious matters. Be aware of your dreams - they could disclose hidden messages.

**From about: 9 January 2009 to about: 7 February 2009**

☉ transiting your natal 12th House

**Behind the scenes**

Your focus now will be on seclusion and spirituality. You may now withdraw from everyday responsibilities and become more reflective, more introspective and more aware of a spiritual dimension. Being extra sensitive to the atmospheres and feelings which surround you may also manifest as some form of psychic ability. You would certainly benefit from meditation or relaxation techniques that allow you to get in touch with the deeper levels of your mind. Feeling more charitable and giving, you will now be more prepared to lend a hand to those in need. You may also believe that it is time to let go of childish ways of behaving which are no longer appropriate or relevant in your life. Acknowledge both your strengths and faults and be prepared to grow.

**From about: 9 January 2009 to about: 10 January 2009**

Transiting ♀ ♃ your natal ♃

**Fogged in**

Lacking clarity and direction in your life you may feel as if you are lost in a cloud of fog, not being able to clearly see what is directly ahead. Beware deception and dishonesty. Unable to concentrate for any significant length of time, duties and responsibilities may be neglected. Drained physical energies could drag down vitality. If possible, take a few days break.

**From about: 10 January 2009 to about: 12 January 2009**

Transiting ♀ △ your natal ♃

**Made in heaven**

Any new love affair or romance started during this period will seem like a match made in heaven, almost as if, as well as a wonderful physical union, there will also be a tremendous spiritual union between the both of you. Present relationships should also become closer and more emotionally stable and secure. This is not so much a time to make dreams come true, but to create dreams which could come true in the future.

**Following**

Leadership qualities will be evident with your air of authority urging others to follow your lead. Business, career and financial matters should all be well starred today.

**From about: 11 January 2009 to about: 19 January 2009**

Transiting ♃ ♀ your natal ♃

**Feeling confident**

Keep hold of your purse strings because there could be an expensive time ahead! Confidence will be your keyword - you will feel as if you can handle anything. No job will seem too big to tackle. The only problem is that bubbling over with overconfidence could land you in hot water! Don't promise more than you can deliver - and don't spend more than you can afford to.

If entering into financial or business negotiations - then make sure you take professional advice. Someone will have to read the small print!

Also, don't become a 'know-it-all'. A certain element of arrogance could prevent you from listening to the other person's point of view. Be aware of this possibility and keep a level headed balance when voicing opinions.

Another word of warning; be careful not to over-extend or over-commit yourself. No matter how much you think you can handle, you are only human and you will get tired from time to time. Make sure that you allow yourself plenty of time for rest and relaxation.

You will not be in the mood to take life too seriously during this time - so important decisions should be temporarily postponed until you feel more self-assertive and more committed to action rather than daydreams.

**From about: 14 January 2009 to about: 15 January 2009**

Transiting ☉ ♀ your natal ♃

**Testing time**

Today could either be a testing time for your emotional or physical strength; or it could represent the successful culmination of many years hard work. Either way, it could be a time of learning and maturity. But don't start taking yourself too seriously. Just because you take on more responsibility doesn't mean that you have to lose your sense of fun.

Transiting ♃ △ your natal ♃

**Good news time**

Feeling protective and nurturing towards loved ones, this should be an extremely pleasant period for all family and personal relationships. You should be feeling very easygoing, kind, considerate, generous and most of all - loving. Sharing the brighter, warmer, more affectionate side of your nature will come easily and naturally.

Some kind of good fortune or financial bonus may also improve your standard of living. Women, in particular, are likely to bring you good luck or good news during this time.

As you will be feeling so loving towards friends, lovers and family, why not consider taking a holiday now with someone you love? Or, if you can't get away, maybe the holiday will come to you as you could get surprise visitors from abroad - perhaps even family you haven't seen for a long time.

**Enthusiasm**

Armed with more energy, enthusiasm and motivation, you will now be ready to tackle any obstacle head-on. It is time to set your targets and aim straight for the top. **Self confidence**

Feeling positive and in control, renewed energy and self-confidence will provide you with the motivation to work much harder than usual to attain goals and ambitions, but power games will be of no interest to you. **Irascible**

Although your own feelings could be easily hurt during this time, in retaliation you may strike out verbally against anyone and everyone within shouting distance. Pre-occupation with religious or spiritual matters could also cause you to temporarily reject the material world. However, take care not to be misled by false prophets.

You will be incredibly generous around now but less scrupulous individuals could take advantage of your sensitivity and misplaced sympathies. Avoid taking unwise risks, especially shady financial deals and dubious 'get-rich-quick' schemes.

☉ transiting your natal 1st House

**Vitality**

You will now become more concerned with personal matters and will have a need to be noticed. Vitality will be recharged for the next twelve months. You certainly will not want to go unnoticed but will need to be in the forefront of things where you will be known as someone whose ideas and opinions are worth considering. However, this need to push yourself forward could be overdone, making you appear somewhat forceful or pushy. It might be best to work on your own now, rather than in a team effort. You will now be extremely sensitive to other people's views of you, so you may tend to over-compensate by expressing yourself too strongly and this could cause friction within relationships. Postpone resolving problems with love affairs until this transit passes.

Also, this isn't a time to put your trust in people you don't know well as you could become the victim of deceit and dishonesty.

Sometimes this is a time of reckoning - a time to come to terms with your life so far and how well you've integrated the physical and mystical side of life. If one has been ignored for the other - then you still have time to make amends and redress the balance.
