Forecaster for Barack Obama

## One Year Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the year ahead. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

### **From about: 1 January 2009 to about: 21 January 2009**

♂ transiting your natal 11th House

#### **Initiative**

You are directed towards friendships, activity within groups, clubs and associations. You will have a natural ability to rouse your friends into action, maybe too much, as there is also the possibility of disagreements with one or all of the above. Nevertheless, it is a good time for team sports and for working in a team effort to advance a cause. Also use this time to plan for your future and pursue your dreams. Work today for tomorrow's rewards.

### **From about: 1 January 2009 to about: 27 March 2009**

### **From about: 20 September 2009 to about: 5 November 2009**

♃ transiting your natal 12th House

#### **Hidden senses**

Searching for a deeper meaning to life, mystical, metaphysical and religious matters will now attract you. You may join a group, or meet an individual, who will teach you a new philosophy or provide a more spiritual outlook. On the other hand, you may take up the role of teacher yourself. Either way, you will feel genuine sympathy for those in need and will want to help in any way you can. Just one word of warning, beware abusing alcohol or drugs.

### **From about: 1 January 2009 to about: 25 September 2009**

♄ transiting your natal 7th House

#### **One-to-one**

Close relationships and business partnerships could now be tested, with burdens being placed upon you. As dealing with these demands will require great patience and effort, the strain on more unstable relationships may prove too much. Possible break-ups or career commitments could add additional strain. You could also resist becoming too involved with others out of fear of being rejected or a fear of becoming too dependent. Professional responsibilities could also become more demanding. You may get more recognition but you will also have to prove your worth. Live up to your word, do not renege on promises or commitments.

**From about: 1 January 2009 to about: 20 May 2009**  
**From about: 14 August 2009 to about: 31 December 2009**

### **Unique presentation**

Surprising changes are now likely which may cause you to see life in a completely different way. Feeling restless and rebellious, you will now want to be different from the norm and will want to make your own way in life, possibly even shocking others with your unpredictable way of behaving. You will now have an electric aura that others may either find attractive, or difficult to handle. You will not like being taken for granted and you will need to be seen as an individual with the freedom to make your own choices and be yourself. A marriage or partnership that cannot adjust to the new you may now end.

**From about: 1 January 2009 to about: 31 December 2009**

 transiting your natal 1st House

### **Impressionable**

You may now choose to view life through rose tinted glasses or possibly have difficulty in establishing a sense of self-identity. Meditation or psychotherapy would be helpful. There is also a danger of turning to hard drugs or alcohol to alleviate the harsher realities of life. This is not a good time to gamble or make financial investments. Nevertheless, at its most positive, this should be good time for those in the caring or helping professions as the sensitivity of Neptune will allow you to have compassion with others. Neptune may also surrounded you in a cloud of mystery, which others may find enigmatic, alluring and attractive.

**From about: 1 January 2009 to about: 31 December 2009**

 transiting your natal 11th House

### **Friends**

Friendships and group associations may now undergo changes. Certain friendships may deepen, whilst others fall by the wayside. Beware manipulation, rivalry or power struggles. Your hopes, goals and ambitions may also completely change from what they have been in the past.

**From about: 1 January 2009 to about: 4 January 2009**

Transiting ♃ ✖ your natal MC

**Pooled resources**

Because of your good sense of fun, enthusiasm and willingness to co-operate and pool resources with others, help, support and new opportunities will come from unexpected sources. Your talents and abilities will be noticed, especially by people in authority. Your own previous generosity is now likely to be returned.

Business deals and financial transactions should now work to your advantage. Contracts and agreements are likely to be negotiated without delays and proceed smoothly through to completion. This could therefore be an extremely profitable time to make major purchases or investments. Cash flow should also, finally, improve.

This could also be an excellent time to plan for the future because no minor details will escape your notice. You may decide to embark on a new field of study, or retrain for a completely different career. In any case, you will probably feel an insatiable need to learn as much as you can.

You may find yourself dealing with the public much more than usual during this time, so be confident, because the outcome could be extremely successful.

Expect some contact from abroad, perhaps from family or friends living overseas. They may even surprise you with a visit or phone call!

**From about: 20 August 2009 to about: 6 September 2009**

Transiting ♃ ♀ your natal ♂

**Start of a new 29.5 year cycle of 'controlled actions'**

**Careful conduct**

During this time, you will either be capable of extremely hard work, with a determination and energy to drive you onwards and upwards; or you will simply feel that no matter how hard you are trying you are getting nowhere fast.

Either way, at the moment, patience will not be your strongest virtue, so just be careful that you don't step on a few toes along the way. Feeling withdrawn and somewhat irritable, you may become so pre-occupied with your own responsibilities and ambitions, that the usual polite courtesies and considerations are neglected. Beware being too harsh and unsympathetic. At the moment frazzled nerves could ignite even the smallest flame of anger into a raging inferno.

However, if this tremendous energy can be focused in a positive way, there is little doubt that during this period, you will be capable of achieving some astounding results - mostly created through a practical, disciplined and extremely systematic attitude to work.

But there may be problems with authority figures. This could be a superior at work, parents, or even legal and military matters. Others may see you as a threat.

**From about: 1 January 2009 to about: 19 February 2009**

### **Passions**

Jealousy, possessiveness and uncontrollable anger could cause conflicts in romance and relationships, and yet heightened powerful passions will increase your sex drive. This combination could either produce fiery passion, strengthening already inextricable bonds of love, or the blazing tempers and rows that could tear the relationship apart. The temptation to succumb to a secret love affair may prove irresistible.

Unexpected events may certainly cause disruption in your love life - and you may become involved in an intense whirlwind love affair. Emotions will be both unpredictable and unstable.

**From about: 4 January 2009 to about: 6 January 2009**  
**From about: 8 June 2009 to about: 11 June 2009**

Transiting ♂ △ your natal ♀

### **Tremendous achievements**

You are now likely to be much more independent, confident and self-reliant, with ambition and a sense of enterprise further enabling you to take bold steps forward. Logic and intuition will be well balanced, creating a greater self-understanding of your own motives and goals in life. You will now be capable of tremendous achievements.

**From about: 5 January 2009 to about: 13 January 2009**

Transiting ♃ ♀ your natal ♃

### **Start of new 11-12 year period of 'growth and development'**

#### **Good fortune**

These next few weeks could be an extremely fortunate period for you, both on a material level and with regard to personal understanding and growth.

Significant changes are likely during this new Jupiter cycle, but mostly because of your own deeper understanding of what you want and expect from life. Some good should now occur; it may be a person or an event that triggers the challenging and exciting opportunities that should present themselves to you. Look forward to the increased freedom that should allow you to follow your dreams and tread your own individual path.

If Lady Luck does smile upon you, then be prepared to share some of your good fortune. The more you give, the more you are eventually likely to gain.

Expect some contact from abroad, either in personal or business matters.

**From about: 6 January 2009 to about: 8 January 2009**

Transiting ♂ ✳ your natal ♃

### **Listen to your dreams**

Being more concerned and sympathetic with other people's needs rather than your own, you will be willing to devote much time and energy to lending a helping hand to anyone who needs it. Thoughts are also likely to turn to more spiritual and religious matters. Be aware of your dreams - they could disclose hidden messages.

**From about: 11 January 2009 to about: 19 January 2009**

Transiting ♃ ♀ your natal ♃

**Feeling confident**

Keep hold of your purse strings because there could be an expensive time ahead! Confidence will be your keyword - you will feel as if you can handle anything. No job will seem too big to tackle. The only problem is that bubbling over with overconfidence could land you in hot water! Don't promise more than you can deliver - and don't spend more than you can afford to.

If entering into financial or business negotiations - then make sure you take professional advice. Someone will have to read the small print!

Also, don't become a 'know-it-all'. A certain element of arrogance could prevent you from listening to the other person's point of view. Be aware of this possibility and keep a level headed balance when voicing opinions.

Another word of warning; be careful not to over-extend or over-commit yourself. No matter how much you think you can handle, you are only human and you will get tired from time to time. Make sure that you allow yourself plenty of time for rest and relaxation.

You will not be in the mood to take life too seriously during this time - so important decisions should be temporarily postponed until you feel more self-assertive and more committed to action rather than daydreams.

**From about: 15 January 2009 to about: 23 January 2009**

Transiting ♃ △ your natal ☾

**Good news time**

Feeling protective and nurturing towards loved ones, this should be an extremely pleasant period for all family and personal relationships. You should be feeling very easygoing, kind, considerate, generous and most of all - loving. Sharing the brighter, warmer, more affectionate side of your nature will come easily and naturally.

Some kind of good fortune or financial bonus may also improve your standard of living. Women, in particular, are likely to bring you good luck or good news during this time.

As you will be feeling so loving towards friends, lovers and family, why not consider taking a holiday now with someone you love? Or, if you can't get away, maybe the holiday will come to you as you could get surprise visitors from abroad - perhaps even family you haven't seen for a long time.

**From about: 21 January 2009 to about: 28 February 2009**

♂ transiting your natal 12th House

**Unfinished business**

You may feel a vague sense of irritation or repressed anger, the source of which you cannot really put your finger on. Look within, it could have something to do with your past. This can be a time of frustration, as whatever you say or do may be misunderstood, with efforts and actions not being noticed or rewarded. Work alone as much as possible otherwise work through charity and voluntary work to help others who cannot help themselves.

**From about: 24 January 2009 to about: 26 January 2009**

**From about: 30 June 2009 to about: 2 July 2009**

Transiting   your natal 

### **Enterprise**

This is an extremely constructive time - a time of relentless energy - a time to accomplish personal goals and ambitions and make dreams come true. Full of energy and raring to go, nothing will be able to stop you or get in your way during this time. There are mountains to climb and battles to conquer! It's time to take the initiative!

**From about: 28 January 2009 to about: 30 January 2009**

Transiting   your natal 

### **Determination**

You are now either going to be capable of extremely hard work, with a determination and energy to drive you onwards and upwards, or you will simply feel that, no matter how hard you try, you are getting nowhere fast. Patience will not be your strongest virtue. Watch your temper and possible clashes with authority figures.

**From about: 1 February 2009 to about: 4 February 2009**

Transiting   your natal 

### **Accomplished**

The ability to work hard, coupled with determined ambition, should produce excellent professional and career achievements. Slower colleagues, however, could be a source of irritation. Home and personal life should also benefit as this would be a great time to catch up on DIY jobs or redecorate the home.

**From about: 4 February 2009 to about: 6 February 2009**

Transiting   your natal 

### **Enthusiasm**

Armed with more energy, enthusiasm and motivation, you will now be ready to tackle any obstacle head-on. It is time to set your targets and aim straight for the top. The luxury of good fortune, coupled with hard, but satisfying, work should bring excellent results. But do remember to rest occasionally.

**From about: 6 February 2009 to about: 8 February 2009**

Transiting   your natal 

### **Irascible**

Although your own feelings could be easily hurt during this time, in retaliation you may strike out verbally against anyone and everyone within shouting distance. You are likely to be irritable, moody and bad tempered - so beware starting arguments just for the sake of it. You could also be somewhat accident-prone.

**From about: 6 February 2009 to about: 15 February 2009**

Transiting ♃ ☐ your natal ♃

**Unrealistic expectations**

Preferring idealism to realism, you could now be lost in a world of self-deception, daydreams and unrealistic expectations. Alternatively, you could try to escape the pressures of daily routine and responsibilities through drink or drugs.

Pre-occupation with religious or spiritual matters could also cause you to temporarily reject the material world. However, take care not to be misled by false prophets.

You will be incredibly generous around now but less scrupulous individuals could take advantage of your sensitivity and misplaced sympathies. Avoid taking unwise risks, especially shady financial deals and dubious 'get-rich-quick' schemes.

**From about: 7 February 2009 to about: 9 February 2009**

Transiting ♂ △ your natal ☾

**Honesty**

Emotions and feelings that have been hidden away will now come out into the open - but will be expressed honestly, clearly and positively. Relations with women should be beneficial as mothers, sisters, lovers or lady friends will give much needed sympathy and understanding. There will be much more activity around the home and that could mean catching up on long overdue DIY jobs.

**From about: 14 February 2009 to about: 16 February 2009**

**From about: 1 November 2009 to about: 6 November 2009**

Transiting ♂ ☐ your natal ♃

**Beware scheming and plotting**

Someone could be trying to set you up, possibly even forcing you to act against your own will. Beware being susceptible to others' scheming and plotting. Avoid any questionable, shady or illegal action. Health may suffer through low physical energy. Rest as much as you can to avoid illness, particularly infections. You may become involved in a secret love affair or secret business plans during this time.

**From about: 19 February 2009 to about: 21 February 2009**

Transiting ♂ ♃ your natal ☉

**Conflict with others**

Uncontrolled anger is likely to lead to disputes or conflicts with others, especially those in authority. Feeling irritable, you may be somewhat difficult to get along with during this time. On the other hand, if you can control this explosive energy, then much could be achieved. Controlled, positive thoughts, will lead to positive actions.

**From about: 21 February 2009 to about: 2 May 2009**  
**From about: 25 June 2009 to about: 17 September 2009**  
**From about: 20 December 2009 to about: 31 December 2009**

Transiting ♃ ♄ your natal ♃

### **Reckoning**

Peculiar moods and unpredictable emotions could cause bewilderment, strain and tension. You will now be thrown off balance by unexpected events and changes - and your sense of reality could be dramatically altered. Hidden secrets may now be revealed. Goals, ambitions and future plans may suddenly become confused and irrelevant.

Although you will now be drawn to the mystical and religious side of life, avoid foolhardy psychic and psychological experiments and practices - they will only add to the confusion already in your mind, as will an excess of drugs or alcohol. Also, this isn't a time to put your trust in people you don't know well as you could become the victim of deceit and dishonesty.

Sometimes this is a time of reckoning - a time to come to terms with your life so far and how well you've integrated the physical and mystical side of life. If one has been ignored for the other - then you still have time to make amends and redress the balance.

Sudden financial difficulties could concern inheritance, insurance or tax matters.

**From about: 22 February 2009 to about: 29 March 2009**  
**From about: 15 October 2009 to about: 31 December 2009**

Transiting ♃ ♄ your natal ♃

### **Dynamic energy**

An incredible restless, dynamic, energy will make you crave for personal freedom and independence during this time. Restrictions in your life simply will not be tolerated and you will rebel against anyone who tries to hold you back. People with some kind of authority over you, such as employers, parents or government officials, are now likely to bear the brunt of your rebellious and angry nature. You are now prepared to do battle - and nothing and no one will stand in your way!

If you are usually a very placid person, sensitive to other people's needs more than your own, then don't be tempted to hold all this rebellious anger within you just for the sake of keeping the peace. All this dynamic energy must find an outlet (possibly even through hard physical work) otherwise pent-up emotions could lead to illness.

There is another scenario to the planetary aspects affecting you at the moment. You may find that a close loved one may actually rebel against you - perhaps you haven't been allowing enough personal creative and emotional freedom to certain individuals.

Being more willing to take impulsive risks during this time - you may find yourself more accident-prone than usual. So take special care when driving a car, or handling heavy and dangerous machinery.

**From about: 24 February 2009 to about: 4 March 2009**

Transiting ♃ ♄ your natal ☉

**Turning point**

This period could represent a major turning point in your life - both on a material and spiritual level.

Feeling ambitious, wanting to do everything in a very grand and showy way could be a big problem. Over-confidence and an over-inflated ego could be another problem; so don't take on more than you can handle and don't promise more than you can deliver!

Another word of warning: be careful not to over-tire yourself. No matter how much you think you can handle, you are only human and you will get tired from time to time. Therefore, make sure that you allow yourself plenty of time for rest and relaxation.

This period could be summed up in three words: positive, restless, energy. You may want to break away from your normal routine, but think carefully before rushing headlong into action.

Problems with colleagues at work, or people in authority, are possible. Through exuberance and over-enthusiasm, you may give the impression that you want to achieve too much, too quickly. You may think you have all the answers - and therefore you could overstep the mark seeking confrontation instead of compromise.

**Falling flat**

Powerful emotions and extremely high energy levels make a potent mixture! You will either be capable of conquering the world during this time, or falling flat on your face because of uncontrolled temper. Concentrate this potent energy into solid, hard work and the results could be staggering. Beware of being accident-prone.

**From about: 28 February 2009 to about: 17 April 2009**

**Will power**

This should be an active and energetic time. Prepared to stand up for your own rights, you will now be able to work extremely hard towards achieving goals and ambitions. Much could be accomplished, especially if you work on your own. Now is your chance to show everyone what you are capable of. However, there is a down side as well, as impatience and irritability heightens. Restrictions on your freedom will not be tolerated. Impulsively rushing into situations without sufficient forethought could also make you somewhat accident prone or prone to fevers and minor illnesses.

**From about: 7 March 2009 to about: 9 March 2009**

Transiting ♃ ♄ your natal ♃

New friendships will be formed, probably with influential people who can in some way help to raise your standard of living. For example, they may introduce you to new job opportunities, or provide support in business ventures. However, beware an element of arrogance with your newly acquired status. A temporary bout of giddiness at such new, previously unexplored, heights is understandable - but you must learn to quickly adjust and remember that everyone is equal.

Being quite lucky you may also win competitions around now - so why not fill in all the competition coupons you can find and keep your fingers crossed!

Health should improve, but do beware the tendency to gain weight quickly. You should particularly avoid sweet foods; this is not a time to indulge your sweet cravings!

**From about: 22 March 2009 to about: 24 March 2009**

Don't linger on the fact that changes made a few years ago may have been rather upsetting at the time; open your mind and you will soon understand that they happened for a reason. More disruption in your life around now should create more changes, but this time go with the flow - don't swim against the tide.

### **Holding on**

The temptation to break free of certain restrictions and responsibilities will be difficult to resist. Craving adventure, excitement, or simply just something new in your life - you could now make a dash for freedom. The only problem, however, is that you may throw the baby out with the bath water. By all means rid yourself of any unnecessary restrictions and burdens - but also make sure that you hold on to anything that is useful and productive.

However, in your haste to break free, this could prove to be a period of extravagance, self-indulgence and empty promises. You could become involved with unreliable people who may temporarily lead you astray, or your own restless and impulsive way of behaving may disrupt the lives of others. If a personal relationship has become either stale or too demanding, either you, or your partner, may now want out.

Avoid the temptation to take on more than you can handle. Don't become involved in grand, over-inflated plans and schemes that, deep down, you know just will not work. Be careful that you don't let others down by promising more than you can deliver. Unstable finances could also cause problems and lead to conflicts.

This would be an excellent time to start anything new. Business deals should be particularly profitable around now.

In fact, financially, this could prove to be an extremely successful and lucrative time in your life. Feeling confident that you have the Midas touch, you will be more than willing to take a few calculated risks. Just one word of warning, do make sure that any risks that you do take have first been properly considered. Think carefully and wisely before making major financial commitments.

Taking up some kind of new study or retraining could also work to your advantage. Be brave enough to take a bold step forward towards a new path or direction. Any decisions made now should work to your benefit even if you don't immediately see and reap the rewards - they will eventually come.

As you will also be feeling so loving towards friends, lovers and family why not consider taking a holiday around now with someone you love? Or, if you can't get away, maybe the holiday will come to you. You may have surprise visitors from abroad perhaps even family that you haven't seen for a long time!

**From about: 6 November 2009 to about: 28 November 2009**

Transiting ♃ □ your natal ♀

**Strong foundations**

To say that you've had a better time in love relationships would be an understatement. Tension, conflict, friction; they are all words to describe the way you are now likely to be feeling towards a partner. If there have been problems which have been bubbling away beneath the surface, they are now likely to erupt and if the differences are irreconcilable, then the relationship may come to an abrupt halt.

However, a strong and basically secure relationship, built on firm foundations, could survive this rather turbulent period - and although by the end of all the emotional combat you may both emerge somewhat 'worse for wear', you will also emerge with a stronger understanding of each other's needs and a love which will survive against all odds.

This unsettled, restless and impulsive conduct could affect all areas of your life, not just your love life. Work, career, relationships with friends and family, they are all now vulnerable to a sense of anxiety and tension. You are now likely to feel that you just can't be bothered with all the pressures and responsibilities that life throws forward on a daily basis. However, when planning your escape route, be sure that your plans are carefully thought out or the escape route could lead you down dangerous paths. If badly planned tunnel walls collapse, then feelings of restlessness could turn into lonely helplessness.

Armed with a true fighting spirit and boundless energetic enthusiasm, there is little you will not be able to achieve during this time. But if anyone should try to stand in your way, then they are likely to be trampled underfoot. Argument and conflicts may be hard to avoid. However, a solution could be to expend excessive aggression through hard physical work. Beware being accident-prone during this time.

**Somewhere over the rainbow**

If there is any task that needs serious thought, study or concentration, then this is the best time to tackle it. Your concentration span and patience threshold will be much higher than usual. With feet firmly and realistically planted in the ground this will not be a time for chasing dreams and rainbows, but it could be a time for turning dreams into reality!

Any job or project that requires you to pay attention to detail, as well as evaluate as a whole, should now be attended to. In short, this a time for work that requires mental discipline, order and uninterrupted concentration; a time for long terms plans. You may now also choose to research or write about a particular subject, perhaps something to do with history or events, people or objects linked with antiquity or age. Short journeys are likely.

However, whatever project you choose, do be careful of being too fixed and narrow minded in your outlook. Remember that others may also be able to contribute with valid viewpoints. This lack of flexibility and the result of too much work and no play could leave you stuck in a rut.

Contacts with brothers and sisters are likely as is contact with older people or people in authority.

**Letting go**

If a love affair or relationship has recently ended, avoid the temptation to stray back - no matter how lonely or depressed you may be feeling.

Some of you may be feeling tired and worn out, as if you have nothing left to give. This is painful, but don't be too hard on yourself. There is a lesson to be learned now. Perhaps in the past you had set your ideals far too high, creating a situation where you were constantly seeking an almost impossible perfection in yourself and others. In future, you may stop being so critical and the pedestal may not be set quite so high - you may allow yourself to be a bit more realistic. But for now, no matter how you feel, let the past go; there IS a happy and bright future to look forward to.

Avoid the temptation to withdraw from life, especially from women. They could actually be of tremendous support to you now if you only let them.

**Open dealings**

This could be a time of tension and conflict in your relationships with others. Beware venting your anger and frustration on those closest to you just for the sake of it. If you can, look out for your partner who might suffer minor illness or even an accident. You may find it difficult to compromise, but do try, especially if discussing legal matters. Looking on the bright side, at least hidden grievances will finally be brought out into the open, hopefully helping to clear the air. You will also be willing to stand up for the rights of others who cannot stand up for themselves.
