Predictor for Kate Hudson

## One Year Prediction

As the planets move around the Great Circle of the Zodiac they pass through the 12 areas known as 'houses', each of which represents a different sphere of human life.\* The moving planets also form angles or aspects with the positions of the planets in your birth chart. These planetary movements are called 'transits'.

Sometimes a planet appears to move backwards through the Heavens which is known as 'retrograde' motion, thereby repeating the aspects it makes to the planets in your birth chart. A retrograde planet is similar to the sensation experienced when you are on a train which overtakes a slower train, making the slower train appear to be moving backwards.

Your predictions for the year ahead should be used as a helpful guide only. Events in your life may vary from the ones outlined in this forecast. While the planets do not dictate your future, they do provide crossroads and signposts to guide you on your personal voyage through life, helping you to make the right decisions, at the right time, and in the right frame of mind. At all times it is for you to choose the best path to follow, and to develop the most positive elements of your personality.

\*When the time of birth is not known, a Midday chart is produced, which makes it impossible to include the house transits in the report or to accurately determine your Ascendant (Rising Sign) position.

### From about: 1 January 2009 to about: 29 January 2009

♂ in 6th House

#### **Mars is Transiting your Natal Sixth House**

This is a time of discipline, enterprise and initiative. You will now work extremely hard to get things done, and will take extreme pride in the work that you do. However, you will not be very tolerant of anyone lording it over you, preferring to be your own boss. This could therefore lead to conflicts with those in authority, especially if you are not getting the credit you think you deserve. Also beware impatience with less energetic employees or colleagues. Keep physically active otherwise repressing frustrated energies could build up inner tension which would eventually cause health problems or accidents.

### From about: 1 January 2009 to about: 20 March 2009

♃ in 7th House

#### **Jupiter is Transiting your Natal Seventh House**

Relationships with others should work well at this time, teaching you more about yourself. You will now meet people who can help you and in turn, you will shower loved ones with generosity, spoiling them with an abundance of affection and small gifts. A new lover may come from a completely different culture or background, possibly someone older or from abroad. Legal matters should also work out to your advantage but beware overconfidence. Do not overlook details, which could trip you up. This is also a good time for medical consultations or therapy of any kind.

**From about: 1 January 2009 to about: 31 December 2009**

♄ in 3rd House

**Saturn is Transiting your Natal Third House**

You could now have some difficulty communicating your thoughts or ideas to others. You may therefore prefer to stay silent. On the other hand, you might find yourself chattering on endlessly about anything and everything except things that really matter to you. Either way, the end result could be that you feel misunderstood. There are many changes happening within you, which will affect people around you. In particular, the way you relate to others is now changing and this could cause some conflict or added responsibilities with close family, friends or local residents.

**From about: 1 January 2009 to about: 31 December 2009**

♅ in 9th House

**Uranus is Transiting your Natal Ninth House**

The search for truth will be of interest to you now and you will probably feel the need to break free of old beliefs and find new philosophical or religious ideals by which to order your life. If you keep an open mind, you will learn a great deal. You will also be able to bring exciting new concepts and ideas into whatever field you are working or studying in, although your eager search for knowledge may cause you to suddenly abandon the work you are doing before it is completed. Travel in foreign lands, and meeting people of other cultures could be particularly exciting now, possibly even dangerous. There is also the possibility of surprising events involving people from different backgrounds or cultures. Avoid legal confrontations.

**From about: 1 January 2009 to about: 31 December 2009**

♆ in 8th House

**Neptune is Transiting your Natal Eighth House**

You will now need to be completely open and honest with anyone you are involved with. In business and financial matters, in particular, you will need to take care that everything is open and above board, or you may find your financial resources slipping through your fingers. This is not a good time to borrow money. Beware deception regarding shared finances, tax, inheritance or insurance matters. Religious interests and matters of life after death may deepen; or you could be asked to handle or manage the property of someone who has died.

**From about: 1 January 2009 to about: 31 December 2009**

♇ in 6th House

**Pluto is Transiting your Natal Sixth House**

The state of your health is now likely to change or health habits may change - eliminating the bad and introducing good. Any illness should be examined to see if it is connected to some other part of your life, or the result of hidden emotional problems or conflicts. There may also be tremendous changes in your job or work environment. You will be conscientious and hardworking, with added willpower that enables you to struggle against all the odds. However, your determination could become obsessive and at times, even destructive. Beware power struggles.

**From about: 1 January 2009 to about: 5 January 2009**

**Transiting Jupiter Square your Natal Sun**

Considering yourself both invincible and indestructible, you are now likely to place unrealistic expectations on yourself. If you promise more than you can deliver, then squandered energy could result in disappointment and total exhaustion. Beware trying to accomplish too much too fast.

Financial extravagance and blind optimism could also deplete cash flow. You may feel as if your luck is in, but do not be fooled by superficial gloss and dubious get-rich-quick schemes. Money could also be squandered through being over-generous. Generosity is a virtue, but not when it is clouded by ulterior motives.

A devil-may-care attitude, a desire for danger and adventure and impulsive restlessness could cause you to rush headlong into action without sufficient forethought. You could therefore be prone to accidents.

Wanderlust could lead to travel, especially if you feel the urge to escape daily routine and responsibilities.

**From about: 1 January 2009 to about: 6 January 2009**

**Start of new 11-12 year period of 'sense of belonging'**

**Transiting Jupiter Conjunct your Natal Moon**

Your home and personal life will now take priority. If you have been considering changing your home then this is the right time to either make the move or set the appropriate wheels in motion. Some of you may even decide to either take up residence abroad or embark on a long journey.

Feeling benevolent, calm and emotionally secure, you are likely to bestow much love, warmth and kindness to close friends, family and, actually, anyone who looks as if they could use a helping hand. This special love and support will be returned to you when you need it most.

Any type of business or financial deals and transactions also look prosperous. Nurture and cultivate contacts who may be able to promote your talents, women especially could help foster future plans.

Surround yourself with loving friends and family. This is a time for mutual nostalgia and reminiscence. Much joy and pleasure will be derived from together reflecting on positive and valuable past memories and how intertwined events have led to the present.

However, take care with dietary habits as weight gain may be possible during this time. An obvious solution is to eat a sensible balanced diet, exercise regularly and avoid over indulgence. Remember, it is always much easier to put weight on than lose those unwanted pounds especially as you become older!

**From about: 1 January 2009 to about: 9 January 2009**

**Transiting Jupiter Opposite your Natal Jupiter**

Confidence will be your keyword during this period, you will feel as if you can handle anything and want to be taken seriously, believing that you deserve some praise and recognition. In short you will feel you can do whatever you want, nothing will be too big to tackle.

An added bonus will be that it will seem, as if by magic, that you will have the knack of being in the right place at the right time, saying the right things to the right people.

There is however, a danger of becoming a 'know-it-all'. A certain element of arrogance could prevent you from listening to the other person's point of view. Be aware of this possibility, and keep a level headed balance when voicing opinions.

Be careful not to over-extend or over-commit yourself. No matter how much you think you can handle, you are only human, and you will get tired from time to time. Make sure that you allow yourself some rest and relaxation.

In business, this could be the point in time when projects come to a head or a conclusion. Be ready to close potentially lucrative deals and do not let competitors catch you napping.

This period could be summed up in three words positive, restless energy. You may want to break away from your normal routine but think carefully before rushing headlong into action.

Problems with colleagues at work, or people in authority, are possible. Through exuberance and over-enthusiasm, you may give the impression that you want to achieve too much too quickly, they may see you as a threat to their own jobs and therefore try to block your path of progress. Either reassure them that you are no threat or lay your cards on the table.

**From about: 1 January 2009 to about: 8 February 2009**

**Transiting Uranus Trine your Natal Uranus**

During this time you will be a real live wire with mind and body working so fast this week that it will feel like an extra surge of electricity has passed through you awakening thoughts, ideas and intuitive senses that have always been there, but which have recently been lying dormant. Solutions to problems, which have previously seemed insurmountable, will suddenly come in an instant.

Feeling restless, daring and extremely receptive to new ideas, you will now be looking to do something completely different. Freedom and a sense of independence will be of utmost importance to you so there will be the temptation to break free of any restrictions whether personal or professional which are seemingly holding you back and keeping you stuck in a rut.

If you listen to your inner voice and instincts, then this could be a time of tremendous achievements, a time in your life when you are not prepared to take second best. Others will now look to you for leadership. Your aggression and sheer determination will enable you to do things that you have only dreamt of in the past.

**From about: 1 January 2009 to about: 24 February 2009**

**From about: 15 May 2009 to about: 12 August 2009**

**From about: 10 October 2009 to about: 20 December 2009**

### **Transiting Pluto Square your Natal Mercury**

You may find yourself questioning the values and viewpoints, which so far, have sustained you through life. You will be taking life more seriously, and thinking about things in a much deeper and more significant way.

But do try to avoid trying to persuade others to your way of thinking. If you are too forceful in this persuasion, this will undoubtedly cause conflicts. Friends, colleagues and family may understand your points of view, but not necessarily agree with them.

Someone may burden you with a secret, which you will find very difficult to keep .or you may find that you are prying into affairs which do not concern you unearthing information which could either prove upsetting or detrimental to you. This, in itself, may lead to conflict.

Your thoughts will be influenced by powerful emotions and feelings perhaps even re-awakening painful memories from the past. But this is a time to learn from past experiences, consider them a necessary and valuable lesson, and then look to the future.

Problems may arise concerning joint finances or business ventures, so this would not be a good period to negotiate financial deals, or sign contracts.

Also, take special care if you are about to travel this week. Being accident prone, you must be aware of everything that is happening around you. Do not place yourself in danger.

**From about: 3 January 2009 to about: 17 February 2009**

### **Transiting Uranus Square your Natal Neptune**

Intense, erratic emotions and peculiar and sudden events may now disrupt your daily routine. Sudden changes of mood and mind are likely.

There could also be difficulty in differentiating between reality and fantasy. In trying to escape daily responsibilities, you could delude yourself into believing that everything is proceeding normally and smoothly when in reality it is all collapsing all around you. Abuse of drugs and alcohol should be avoided.

You will now be drawn to the mystical and religious side of life, trying to find meaningful answers to important questions. However, wait until the clouds of confusion clear from your mind before making any firm commitment to a new philosophy.

Alternatively, you may become involved in secret societies or associations. If this is the case, then beware of allowing others any element of control over your life. Hidden secrets may now be brought out into the open.

A close friend, family member or lover may abuse your trust, leaving you feeling confused and betrayed. It may take some time to recover from this deception and treachery but what will really irk you the most is the hypocrisy.
