

Soul Mates Relationship

between Angelia & Brad

The 'Relationship' interpretation that follows defines the interactions called 'Inter-Aspects' between the planets in Angelia's birth chart and the planets in Brad's birth chart. Please check the Birth Data is correct. The Inter-Aspects or 'chemistry between Angelia and Brad' are divided into four general types:

Key Connections - Relationship Challenges - Relationship Strengths - Socio-Cultural Interactions

Also as you read them, the following should be noted:

'Close One' - A group of 5 stars denotes the closeness of the Inter-Aspect. The more dark stars the closer the interaction. Whenever an Inter-Aspect is a 'Close One' with four or five black stars, it forms a tight bond and these make up the core of your relationship, be it good or bad. As a general but not absolute rule, for a relationship to be called 'close', around a third of all the Inter-Aspects between Angelia and Brad should be 'Close Ones'.

'Birth Time' - The interaction will be technically correct only when the birth times are accurate to within fifteen minutes. Also, if a birth time is only to within several hours, then any interactions involving the Moon, Ascendant and Midheaven of that person should be regarded as possibly being unreliable.

Double Whammy - When any Inter-Aspect, along with its interpretation, is repeated - because that Inter-Aspect goes both ways, for example if 'Angelia's Moon is Conjunct Brad's Pluto' followed by 'Angelia's Pluto Conjunct Brad's Moon' – then it affects the relationship very strongly.

Inter-changeability - With any Inter-Aspect Angelia and Brad can swap roles, due to psychological projection, cultural and gender roles, individual status and inclination, etc.. That is, Angelia can be seen to be playing the part of what appears to be Brad's role, and vice versa.

The One Golden Rule - No one interaction or Inter-Aspect can make or break Angelia and Brad's relationship. In a healthy relationship, you will find the strength to deal with a stress or a strain. Through time and love, challenges, when met, can always be overcome. Needless to say, many relationships do not turn out to be long-lasting or permanent, but they are there for a reason – and the Inter-Aspects will tell you what that reason is.

Key Connections

These are usually the most powerful and dynamic points of interaction between you, but do not be put off if you find little or none, as other interactions will provide strong connections. They can be either harmonious, difficult or a bit of both - depending on the planets involved.

★★☆☆☆ **Two halves make a whole**

Angelia's Sun Opposition Brad's Ascendant

This is one of the two most significant interactions of all, because Angelia's Will or ego finds its mirror (or shadow) in Brad's manner and presentation - and vice versa. Essentially, Brad is Angelia's 'other half' - or at least, seems to be. Depending on Angelia's level of self-awareness, she may or may not like some of this because it reflects back a part of herself that she has yet to come to terms with: her shadow.

The same is the case for Brad, with Angelia embodying his other half. What Brad puts out unconsciously (that's different, or the opposite to what he is intending) is played back to him as Angelia's manner of self-expression; and similarly, she may or may not like some of this. But, just because you're embodying or reflecting each other's other half, there's a strong attraction between you - at least initially. As time goes by, however, seeing each of your alter egos mirrored in the other in this way can provide a feeling of being made complete by each other.

But, as I have just pointed out, it can at times be objectionable to one (or both) of you. The great secret for success here, is to 'take back your projection', that is, to understand and accept that it is your 'other half', warts and all, that makes you a more complete, and a stronger, better person. In turn, this would possibly give you a relationship to match. As ever though, a great deal depends upon the other interactions between the two of you.

Even if this doesn't turn out to be a marriage or meeting of soul mates, this interaction can so sharpen your sense of who you are (or appear to be) that, as a result of it, you're more able to identify and attract someone who really is your other half - because you'll have learned what this really is in you.

★★★☆☆ **Emotional contentedness**

Angelia's Moon Opposition Brad's Ascendant

Here you really do have what's called an 'emotional relationship'. You have a mutual as well as natural need of one another, and endure and enjoy the ongoing highs and lows that are part and parcel of your being together. Even if this is not a marital, sexual or family relationship, you still interact in a quite intimate and familiar fashion. And where family is concerned, respective family members can be either a great mainstay, or quite a burden, to your own emotional harmony. This is a 'love me, love my family' sort of thing.

Brad responds very well to Angelia's needs and expressions; so well in fact, that he sometimes knows where she's coming from emotionally way before she does. The down side to this though, is that Angelia instinctively 'catches Brad's shadow', which means that, whatever she's unsure of in herself, can be projected onto Brad and then she blames him for what's actually her 'stuff'. At the same time, this is the price Brad may have to pay for being so dependent on Angelia for displaying those positive qualities that he wished he had.

Again, this can be seen in the family sense of one member taking care of a certain area of life, and another member something else. Traditionally, for instance, father brings home the bread, while mother makes the home and looks after the kids. So, in effect, yours is a symbiotic relationship, to one degree or another and as such it can work very well. This interaction, when accompanied by other positive aspects, really can make one out of the two.

★☆☆☆☆ **Mental rapport**

Angelia's Mercury Opposition Brad's Ascendant

Straight away, something clicks on a mental level when you first meet. It's as if Angelia is a mental mirror to Brad. In fact, this contact is entirely cerebral and does not, in itself, pose anything emotional or physical between the two of you. However, because of the excellent communication and intellectual rapport that it potentially bestows, any physical or emotional (or intellectual) issues that do arise can be thought through and talked out very efficiently between you.

Notwithstanding any other interactions you might have that are detrimental to communication, if there is a mental solution at all, you'll find it. Angelia is also a great help in accurately observing and improving Brad's manner of self-expression and outlook, while he, in return, can help Angelia express herself verbally, with more effect and style, perhaps by putting her in contact with interesting and useful people.

This interaction can, therefore, give rise to intense verbal and intellectual interplay. If (and when) you have communication hitches, it's because one (or both) of you is failing to accept the other's ability to complement your thinking or point of view. The reason for this is that you each think the other has all the answers - when of course, they don't.

★★★☆☆ **Energy and enterprise**

Angelia's Mars Conjunction Brad's Jupiter

These are both fiery planets so this is quite a 'hot' interaction which could launch you both to new heights of satisfaction and success in many areas of life; or simply result in burn out if you merely indulge and behave as if you have more energy than sense.

Positive activities together are the key here, so being up and about the business of living through travel, sports, and outdoor activities are what get your wheels going round. This is an interaction that needs to have the prodigious energy that it makes available to you as a couple constructively employed.

Angelia stimulates Brad to put his ideals and plans into action, thereby helping him to further himself. Brad, on the other hand, encourages Angelia to be more confident in herself and her activities. And so this interaction can positively escalate as one boosts the other, who in turn is then able to boost the other one, and so on. So much depends upon the direction of such self-propelling. You could merely romp around and exhaust or irritate each other, or launch yourselves anew.

Other, more passive or inertia producing interactions may stifle this one, or be overcome by it. This is a 'get it on' interaction!

★★★★☆ **Psychic rapport - Close One!**

Angelia's Neptune Conjunction Brad's Ascendant

Because, on first meeting, this interaction allows you both to see through each other's masks, resistance or smoke screens, the subsequent reaction of each of you can vary enormously. A great deal depends upon what it is that each of you senses within the other person. The chances are that whatever each of you do see will reflect, or enhance, some highly sensitive issue of your own, and your individual emotional reactions following upon this are what then shape this interaction, rather than what actually happened in the first place.

There are usually two extremes here: one is where an alluring image (or another smoke-screen) is quickly put up in order to protect yourself from the other person's psychic perception of your inner truth. The other extreme is that a great openness remains, allowing a wonderful psychic rapport to manifest between the two of you. This psychic rapport causes you to feel as one, to identify very closely with one another, and to detect at any distance the state of one another.

However, it must be pointed out that it only takes one of you to adopt the first extreme in order, sadly, to preclude or at least greatly diminish the second one. And, even when the second extreme has been maintained by one of you, the protective psychic screen erected by the other person could eventually become actually offensive, which would cause the 'open' person to close down protectively too. The outcome here then is a 'psychic war' of projected and imagined fears which can be quite sapping, physically and emotionally, to both of you.

Generally speaking, because most people are not yet prepared to see clearly their inner truth as distinct from their outer display, the remedy to the negative expression of this interaction is not very acceptable. All the same, here it is. If you are experiencing the negative expression, cast your minds back to when you first met, and picture slowly and closely what actually transpired at that time.

If you can do this, without protectively reacting again, you'll gain a great insight into the truth of who you both are, as individuals and to one another. This interaction reminds me of the Mayan greeting: "In lak'ech", which means "I am another (like) yourself". One way or the other this interaction will bring you both an insight into spiritual reality, or the mystery of being. How you respond to this determines whether you experience it as fascination or confusion, identification or alienation, love or hate - or a strange combination of some, or all, of these.

Relationship Challenges

These are the interactions that are most likely to produce friction and disagreement - some more than others as the interpretations point out. In fact, they often explain why you were attracted in the first place because they define the deeper reasons for your coming together in that they force both of you to become more self-aware and improve your relating skills or ability to love and be loved.

Too many of these Challenges however (in comparison to the Relationship Strengths below) can make it unacceptably uphill and lead to separation. But it would still have the potential for selfgrowth.

★★☆☆☆ **Two halves of an orange**

Angelia's Sun Opposition Brad's Sun

Here you have a classic case of opposites attracting one another. So, although you're strongly drawn to one another at the outset, as time goes by you'll find that you each have quite distinct 'ego zones' and one of you will object quite vehemently to theirs being invaded and managed by the other - or even seeming to be.

This amounts to an exercise in respecting each other's space and way of living. So, having avoided this pitfall, which could otherwise result in quite serious rifts being caused, you can create a very complementary relationship that presents a complete 'front' and lifestyle to anyone, be it children, employees, or others in general.

A blending of the best of each of your Sun Sign's qualities is the goal to aim for. A great deal also depends upon emotional harmony and reasonable communication being provided by other interactions.

★☆☆☆☆ **The autocrat and the outcast**

Angelia's Sun Square Brad's Uranus

Angelia is inclined to see Brad as being interestingly eccentric, but at the same time, as being a bit of a 'loose cannon'. Brad, for his part, has mixed feelings of admiration and rebelliousness towards Angelia. This interaction could be called "Royalists versus Republicans". Brad is especially outraged by any sign of autocracy from Angelia, and will do all he can to rattle her cage. In return, Angelia will scoff at Brad, or depending upon her personal influence or social position, cause him to feel like an outcast and an outsider whose ideas are totally off the wall.

But Brad will respond to this with renewed revolutionary zeal, which could amount to anything from actually sabotaging Angelia's position, to more subtle psychological tactics, such as detaching himself in a way that piques Angelia's pride. In the end, Angelia needs to be more principled, and Brad absolutely truthful. Angelia is, or appears to be, in the 'ruling position', and as such, should grant Brad credit where it's due for his laser-like perception of how things actually are. And, if Brad is reactionary and uptight, then he himself should wake up to the fact that this is because he is unable to detach himself, and so is, therefore, part of the problem that he is so ready to accuse Angelia of creating.

★★★★☆ **Regeneration or destruction - Close One!**

Angelia's Sun Square Brad's Pluto

There's probably a great intimacy between the two of you, but this in itself becomes a problem, especially if this is a sexual relationship. In fact, the sexual dimension is the main area of conflict and power struggle and, consequently, where your relationship could come to grief. At first the feeling of being 'invaded' and 'taken over' is sexually attractive, particularly if Brad is male, but eventually one, or both, of you (but most likely Angelia), would feel laid bare and robbed of your own will. Brad, on the other hand, is rather like a moth drawn to a flame, but the intensity of such a pull could be interpreted by Angelia as being deliberately forceful - and it may be.

In any event, this interaction demands that both of you attain a more conscious awareness of the powerful effect that you can have on others generally, and on each other in particular. It may come as a surprise to you to know that every human being has this power potential in them, but it takes this kind of interaction to spell out exactly what kind of influence it can exert. Consequently, this intense and powerful contact is all too often destructive in some way, either partially, or of the whole relationship.

Basically, it's manifesting the dangers of any negative course either of you have set out upon - probably quite unconsciously, and possibly before your relationship even started. Underhand, or morally questionable, motives on the part of either of you are inevitably brought to a point of crisis. Whether or not you survive such a crisis as a couple, there's still a deep and lasting effect and lesson built into this relationship.

★☆☆☆☆ **Territory versus respect**

Angelia's Sun Square Brad's Midheaven

Although, at first, Brad can find Angelia impressive and fun to have around, eventually he experiences her as a threat to his professional position or domestic set-up - something which Angelia may have seen merely as opportune or convenient. So, unless Angelia acknowledges and respects that it's a great deal more than that for Brad, she could wind up being unwelcome - quite suddenly.

Then again, Angelia may not have been admitted in the first place. On the other hand, Brad could forestall such upset by laying down some ground rules at the outset - but then it would probably be Angelia that had to make him aware of them. So that territorial issue persists, whatever the case.

★☆☆☆☆ **A 'Full Moon' relationship**

Angelia's Moon Opposition Brad's Sun

This interaction is like the Full Moon - when the Sun is diametrically opposite the Moon and illuminating the whole of its face. Angelia is, therefore, very much in the thrall of Brad, dependent upon his words and actions for feeling whatever she feels. Brad is bestowing upon Angelia the attention, warmth and sheer vitality that she needs to feel alive and comfortable - or he could simply overwhelm her and have her dangling on a string.

Angelia can either take this gladly or sadly, or retreat into some area of safety where Brad's ego can't get at them. Brad can learn a great deal too about how he affects others with his will and ego, because Angelia picks up every little nuance and reflects it back to him. Angelia, on the other hand, is made to feel acutely aware of every little emotional feature - particularly childhood memories or childish ways. So, much depends upon the spirit in which this 'illuminating' and 'reflecting' is performed.

This interaction is far more manageable when Brad is male (because traditionally it is 'his' role to 'do'), and when Angelia is the female since, traditionally, it is 'her' role to 'be' in response. When things are the reverse way around, you could both feel out of your traditional roles, to the extent that Brad is having to be both mother and partner to the other, while Angelia feels rather weak and powerless - and in danger of crumbling.

But, if Brad can get the hang of having such power and use it benevolently, and if Angelia can get the feel of how effective being passive can be, then all will be well. Even so, and common though this aspect is in marriages, it is rather demanding. But then it does promise a great reward: increased awareness of what and who you are, and of life itself.

★★★★☆ Closeness versus distance

Angelia's Moon Square Brad's Uranus

Angelia's needs for comfort and security are denied by Brad's individual, erratic nature and urge for freedom and independence. Angelia should view this interaction, when not given its due, as having no place in a stable and enduring relationship. This is more of a home breaker than a home maker, and its agenda is that of breaking any outworn or mistaken attachments that Angelia has to mother, home or thoughts of matrimony. The same could also apply to Brad, because social conditioning may even have caused him to go against his innate need for space to develop.

So strong is this interaction's power to break conventional moulds that it will disrupt the social and domestic lives of those around you as well. The unpredictable and unstable nature of this aspect can be very upsetting to Angelia, and irritating to Brad. Paradoxically though, such is the excitement caused by this coupling that it can go on, spasmodically, for quite some time. That is, until Angelia is somewhat freer from her claustrophobic ideas of emotional closeness, and Brad understands that he is essentially just a catalyst for this process, or that he needs to be more emotionally attuned, or available.

★★★★☆ Susceptibility versus manipulation - Close One!

Angelia's Moon Square Brad's Pluto

Angelia is likely to feel held in a kind of psychological arm-lock by Brad, but will probably not let on, or even believe, that this is the case, and this makes it all the more incapacitating. The probable reason behind this is that Brad's attitude to Angelia can be one of disdain, because he sees her as being weak or pathetic in some way.

It is also likely that Brad is projecting his own emotional vulnerability here, something which he denies. And so, Angelia will instinctively retaliate in an indirect or passive way. But in both, and all, cases, it would not be too obvious what was going on, or why. Possessiveness and jealousy are also likely to raise their gnarled little heads, sooner or later. Again, suspicious looks and subtle sneers, or jibes, would be the only signs - initially at least.

This interaction makes for more or less constant erosion of whatever your emotional links are, but with a view to renewing them in the process. This obviously necessitates some pretty good mental and emotional rapport supplied from elsewhere. If this is so, then neither of you will allow the grass to grow under the feet of your relationship, and it will consequently last and last, yet probably with occasional 'black-outs' of communication. The mean alternative is, unfortunately, stagnation.

★★★★☆ Monarch and advisor

Angelia's Mercury Opposition Brad's Sun

Essentially, Brad feels in a superior position to Angelia. This is because Angelia only has her point of view to offer or confront Brad with, whereas he has his whole Will and lifestyle to either overwhelm, ignore or approve of Angelia with. Of course, if Angelia is very sure of herself mentally, and Brad's Will is not that developed, it would be a different story - but it would not amount to a balanced or satisfying relationship.

This interaction is, therefore, about Brad taking on board what Angelia has to say, and not just resisting or disapproving out of wounded or threatened pride. Angelia, on the other hand, should see herself as some sort of advisor to a dignitary, and not presume upon her mental connection or prowess. Bearing all this in mind, you can learn a great deal from one another.

★★☆☆☆ **Mental interrogation**

Angelia's Mercury Square Brad's Pluto

Usually Angelia's perception of life is more practical and 'safe' in comparison to Brad's probing or psychological way of looking at it. In the face of Brad's X-ray gaze Angelia therefore finds that she has to dodge and weave, and consequently appear even more superficial and 'reasonable'.

On the other hand, Angelia may just refuse to budge from what she sees as her more sensible standpoint, branding Brad as being too 'obsessed' with always wanting to get to the very bottom of things. Brad's response to this will be to use every means at his disposal to influence Angelia's thinking with his propaganda or psychological or occult values.

Not surprisingly, this is not an interaction to inspire trust - on the contrary, it can lead to 'paranoia' on one or both of your parts. To resolve (or prevent) the breakdown in communication that this can create, Brad should honestly look at the possibility that the reason he wants Angelia to see things his way, is that he is not entirely convinced of it himself.

Angelia, apart from getting Brad to lighten up a bit, should meet him half way and take a deeper look at herself and the meaning of life. Who knows, she may then be able to give Brad a spot of his own mental medicine.

★☆☆☆☆ **Out of sync**

Angelia's Mercury Square Brad's Midheaven

To Angelia's way of thinking and working, Brad abuses his position; whereas Brad sees Angelia as speaking out of turn. It could go the other way, but overall you have conflicting ways of working and co-ordinating.

If one of you is obviously subordinate to the other, like employee to employer, or pupil to teacher, then this may not be too much of a problem, but in any event it means that your working together, or simply being together, can only go so far. This may simply manifest itself as being hard to find time together in the first place.

★★★★☆ **Thought versus action - Close One!**

Angelia's Mars Square Brad's Mercury

This is an argumentative and disagreeable influence. Hardly a day goes by without one of you finding something which the other person says or does that they have to object to. You irritate each other far too easily for any kind of peace or harmony to exist for long. The reasons for such battles will have their origin in the other 'hard' interactions that you have.

This aspect is not the source of conflict itself, it is simply a means (arguing) that you have of expressing discontent with yourselves, each other, and life in general. It's almost as if you don't want to communicate properly in case you discover something that really needs seeing to.

This mutual irritation, and the bickering that it generates, are not something others like to be around much - so don't expect many invitations to social occasions unless you both have dangerously convincing social masks, or have your heads stuck in the sand in the way just described.

This interaction is 'thought' versus 'action'. So Angelia gets annoyed with Brad as she sees him as being permanently at the ideas or planning stage, while Brad regards Angelia as an impulsive fool. You probably both have a point here, but sheer annoyance prevents you both from seeing it.

★★★★☆☆ **Sparring partners**

Angelia's Mars Square Brad's Mars

What each of you wants, and the way that you both go about getting it is very different. Consequently, a lot of friction can develop between the two of you. In extreme cases, or if there is little or no indication of love and tenderness in other interactions, such conflict can even get physically abusive. But this won't happen if both of you are of a reasonable and peaceful disposition.

More subtly though, one of you has a different idea of manliness or courage to the other, for example, one of you might see courage as instinctively responding to someone attacking one's family or sense of security - but the other sees courage as holding back, thinking about it, and finding a more circumspect or diplomatic route. Usually, one of you will have a 'hot' reaction, and the other a 'cool' reaction - but you might both be 'hot'! Either way, you can see how this could cause flare-ups or frustrations.

Furthermore, such friction can build up to bursting point if there are more 'peaceful' areas to the relationship that you both try to keep to. A good battle or row once in a while is a healthy thing because it clears the air. However, with this difficult interaction, such may be too frequent or not frequent enough. Ultimately, this interaction could be saying that one or both of you are being challenged to fight, to one degree or another, for their own right to be what they essentially are.

★★★★☆☆ **Emotional excess**

Angelia's Jupiter Square Brad's Moon

Although there is a measure of kindness and consideration between the two of you, it is inclined to become a case of emotionally indulging or doting on one another, or conversely, a vague discord caused by the phoniness of such misplaced 'care'. In truth, Brad is after security and home life, while Angelia is after freedom and adventure - but these can be interchangeable.

And so a false sense of security or togetherness can grow out of this. It's as if this interaction happens to make it known to one or both of you that what you have been brought up to need or believe in is not actually appropriate for you as individuals.

This is not a particularly difficult challenging aspect - but it can cause emotional confusion. Exploring what you both really need or believe could reveal that you are more in tune than you thought - or a lot less, which is possibly why you'd be disinclined to do so.

★★★★☆☆ **The general versus the particular - Close One!**

Angelia's Jupiter Square Brad's Mercury

There can be a lot of talk and not much achieved between the two of you because Brad is concerned with details, whereas Angelia is more interested in an overall view of things. Angelia's philosophical or religious concepts frustrate and annoy Brad's more practical, logical approach.

Angelia's great plans confuse Brad's work and everyday concerns, which, to Angelia, seem piffling and short-sighted. If you could both appreciate that you are each seeing opposite sides of the same coin, then something useful, and inspiring too, could be the result.

Angelia could help Brad to see the bigger picture and gain a better understanding of how his thoughts and ideas could fit into a greater whole, while Brad could assist Angelia in practically, technically and verbally expressing her grand ideas. Other interactions that you have could indicate whether or not you have the emotional harmony to come to this sort of mental agreement.

★★☆☆☆ **The road of excess**

Angelia's Jupiter Square Brad's Venus

On the face of it you have, or could have, a high old time, because this makes for a pretty indulgent and hedonistic coupling. You encourage one another to seek pleasure and excitement which, although this may come under the heading of 'sowing some wild oats', does find you frittering away time, energy and/or money.

Apart from someone eventually having to pay the piper, or watch their waistline, it can also be an imposition on others who have more serious things to do. Additionally, there is an easy-come-easy-go feel which could be quite upsetting to one of you if they have more earnest expectations of the relationship. Usually, it is Angelia's urge for freedom and experience that can hurt and offend Brad's sensibilities and desire for companionship. Moral issues come to be a major consideration, sooner or later.

★★☆☆☆ **Child versus adult**

Angelia's Saturn Opposition Brad's Moon

Angelia's sense of order and social correctness is totally at odds with Brad's natural conduct and free-flowing responses. The result is that Brad feels controlled and thwarted by Angelia, experiencing her as being judgmental and unsympathetic. Angelia on the other hand, sees Brad as childish and irresponsible.

It would seem, as is so often the case with hard interactions, that a difficult lesson is here in the learning for Angelia; and because it is a difficult lesson, this interaction can go on for a considerable period of time - either until the lesson has been learned, or the inherent difficulties make the relationship untenable.

The lesson here is that each of you should learn to accept that whatever is different to oneself is not wrong. Yet, at the same time, Angelia probably does have a point in that Brad needs to grow up and get the hang of the way of the world. Conversely, Angelia needs to let the child in her out more, have more fun, and remember her dreams - as per Brad's example.

The actual reasons for your becoming involved at all are most likely down to insecurity on Brad's part, and loneliness on Angelia's - a sad, but not very promising, recipe. If there was enough objectivity, a deal could be made here, but alas, objectivity is the very thing Brad is learning, and Angelia would have to shoulder most of the worldly responsibilities.

★★★★☆ **Spark versus flint - Close One!**

Angelia's Saturn Opposition Brad's Mercury

Brad is full of mental agility, being able to spark off, and connect with, whatever presents itself - especially when, conversely, Angelia has a plan, structure or agenda that all things must somehow keep to. And so it can be seen that Brad would be regarded by Angelia as shallow and flippant, flitting off in whatever direction his interest took him.

To Brad, Angelia seems too serious by far, and in need of lightening up. Angelia will do her best to discipline and train Brad to be more constructive in the area that she deems he needs to be so - and Brad would do well to take some of this on board. But, by and large, Brad will find this tiresome, especially if he already has his own work cut out for him by his own choice.

Angelia, for her part, is learning (in an oblique way) that there is something about herself that is just not easily understood. Overall then, this is a dry combination that would find its most appropriate place in a relationship where Angelia is supposed to be the one in authority, and Brad is supposed to be the one who is learning some dull (but necessary) lesson.

In this way, it may be seen how you are actually interdependent, like spark and flint usually are. Communication between the two of you is rather thin and one dimensional, and at best, merely functional.

★★☆☆☆ **Love versus duty**

Angelia's Saturn Opposition Brad's Venus

This can be very difficult to handle because, as planetary energies, Brad and Angelia are at odds with one another - Brad being love and play, Angelia being duty and work. And so this antipathetic theme can play itself out - or have to work itself out - through your relationship.

Brad could appear frivolous or superficial to Angelia, whereas she may seem inhibited or limited by her own feelings or responsibilities. Basically, Angelia is liable to feel unloved or be unloving, and Brad is more socially flowing or even fancy-free. In the end it's a case of both of you being committed in your own individual ways. Brad will have to melt Angelia's wall, while Angelia should learn to be more trusting and a little less stiff.

Put more simply, Angelia is learning to love, and Brad should be a good example of love but, the inherent danger is that Brad could resort to game playing or capriciousness in the face of Angelia's apparent coldness. Needless to say, such conduct would only increase Angelia's reserve.

Possibly, you may both have to look long and hard at what your real motivations are for being in this relationship because, without such serious reappraisal, a sizeable wedge could grow between you, leading to eventual separation. It should always be borne in mind that time is a very important factor in the development and learning that this interaction demands.

★☆☆☆☆ **Irresistible force meets immovable object**

Angelia's Saturn Opposition Brad's Mars

This is one of those 'irresistible force meets immovable object' situations. And when one of you says or wants 'go', the other says or wants 'stop'. So this can be a very wearying kind of interaction if some ground rules are not established like, for instance, "I'll do what I want my way, but I won't expect you to do so as well, or even approve of it"; or, "I shan't judge you for the way you do what you do".

The trouble here is, of course, not seeing 'eye to eye' in the first place, so sitting round the table may not exactly be on the cards. Therefore, one of you will have to be particularly sure of their act, so as not to feel pushed or restricted, by the other. In fact, this is probably what this interaction is actually in aid of enforcing - becoming more independent, that is - not least of all because circumstances thwart your desires and simply do not allow you to have, or be, with one another in a usual or comfortable manner.

If yours is a sexual relationship it will eventually pan out to be a hard learning experience in this respect. This could come as surprise because at first the 'irresistible force' and 'immovable object' see each other as a challenge and so feel attracted to one another. But before long your moods and desires will be felt to be very out of phase, complete with the headaches and other excuses that are made.

In any event, the blocking of each other's attempts at assertiveness, or the attacking of whatever position each of you hold, will become a problem. To Brad, Angelia is too slow, withdrawn or cautious; to Angelia, Brad is too impulsive, coarse and unthinking. In the end, one of you, Angelia, is learning to stand her ground, and the other, Brad, is learning to state his case. If this is done with integrity, then you can come to respect one another for being what you each are in your own right, and for having taught one another to establish this very thing.

★★☆☆☆ **Closeness versus distance**

Angelia's Uranus Square Brad's Moon

Brad's needs for comfort and security are denied by Angelia's erratic nature and her urge for freedom and independence. Brad should therefore view this interaction, when not given its due, as having no place in a stable and enduring relationship. This is more of a home breaker than a home maker, and its agenda is that of breaking any outworn (or mistaken) attachments that Brad has to mother, home or thoughts of matrimony. The same could also apply to Angelia, because social conditioning may even have caused her to go against her innate need for space to develop.

So strong is this interaction's power to break conventional moulds, that it will disrupt the social and domestic lives of those around you as well. The unpredictable and unstable nature of this aspect can be very upsetting to Brad, and irritating to Angelia. Paradoxically though, such is the excitement caused by this coupling that it can go on, spasmodically, for quite some time. That is, until Brad is somewhat freer from his claustrophobic ideas of emotional closeness, and until Angelia understands that she is essentially just a catalyst for this process, or that she needs to be more emotionally attuned, or available.

★★☆☆☆ **Rude but irresistible awakening**

Angelia's Uranus Square Brad's Venus

Angelia gives Brad a sharp shock as to his real worth and attractiveness. Quite unceremoniously, Angelia will expose what's beautiful or ugly, talented or dull, about Brad, and he finds all of this quite irresistible, even though it gives him such mixed feelings about himself and Angelia.

It can be seen why this peculiar reaction exists between the two of you in the myth of the god Uranus and the goddess Venus. Uranus was the 'god of gods', Heaven, who lay across Gaia, the Earth, and Creation then came about.

One of his sons, Saturn, strongly disapproved of his random way of ruling and deposed him by scything off his sexual organs and casting them into the sea. From the blood and foam of his severed genitals Aphrodite ('born of foam') or Venus was born.

So you can see where those feelings of alienation came from - especially of the sexual variety! But the symbolism of this is that Uranus wants his power back and Venus wants the freedom to wield it.

So Angelia, the 'awakener', thinks if Brad, the 'lover', is still around after so much fast and loose treatment, then he must love me'. Unfortunately, this doesn't work because all Angelia is getting from Brad is the measure of his lack of self-love, which perfectly reflects her own lack of self-love.

All of this is important to understand because it explains why you're so attracted to one another, yet fail to mesh in so many other areas of your respective lives.

In a quirky way, you're both learning one of love's most important lessons: You can only truly love someone else as much as you love yourself. If this relationship is handled right - which means not expecting it to be predictable - then you could both go some way towards loving the 'unusual' or 'outcast' in yourself more, and in each other too.

★★★★☆ **The sexual laser**

Angelia's Pluto Square Brad's Mars

There is an element of danger in your coming together. If there's something dark, brutal, or negative in one or both of you, your relationship together could bring it to the surface. This does not mean to say you expose it for all to see, because there's a definite aura of secrecy in what you do together. This secrecy may involve certain taboos and/or emotional leverage.

Angelia is more likely to have a stronger idea of the implications of Brad's actions - rather like a gangster to a punk! Because of this, Angelia will subtly, or covertly set about curbing anything Brad is doing that she disapproves of. In return, or rather in retaliation, Brad will aggravate Angelia's innermost fears - especially those of losing self-concealment or any kind of power.

Unless you become wise and cautious before the event, somewhere along the line, one or both of you will experience a crisis, small or large, that serves as a reminder from the unconscious of just how dangerous playing with fire can be - the 'fire' mostly likely being base desire or deep rage. The sexual side of your relationship - actually, more of a core element than merely a 'side' - can also be quite destructive or degrading, although initially very thrilling.

But you're testing each other's power and survivability, so your relationship could be seen as a battleground where deep emotional truths are brought to the surface quite cathartically. The only really positive expression of this interaction is one of refining the raw and basic energies that it evokes, and using them to heal, either each other, or others generally. For this to be the case, a distinct spiritual maturity, either learned or already present, would be an absolute essential. All in all, what you have here could be called 'The Sexual Laser'.

★★★★★ **A clash of backgrounds - Close One!**

Angelia's Midheaven Square Brad's Moon

Your family, social and cultural backgrounds differ; or at least your experience of them does. This means that you find it hard to coexist for long in the same place, be it professional or domestic. Your habits and practices don't gel, and so lead to a feeling of not 'belonging' with one another, despite whatever other attractions might exist between you.

★☆☆☆☆ **Out of sync**

Angelia's Midheaven Square Brad's Mercury

To Brad's way of thinking and working, Angelia abuses her position, whereas Angelia sees Brad as speaking out of turn. It could go the other way, but overall you have conflicting ways of working and sorting things out.

If one of you is obviously subordinate to the other, like employee to employer, or pupil to teacher, then this may not be too much of a problem; but in any event it means that your working, or simply being together, can only go so far. On the other hand, this aspect may simply manifest itself in the form of it being hard to find time together in the first place.

★★★★★ **Business and pleasure don't mix - Close One!**

Angelia's Midheaven Square Brad's Venus

Although there's a fun aspect to work interests, the two of you could fall out where these wires get crossed. For example, this could take the form of one of you feeling taken advantage of - which could be the result of not being assiduous enough when called for - with the other feeling that they are feckless and not pulling their weight. The social and romantic interests of one of you also interfere with the career and status of the other. If the two of you can learn to determine and maintain the distinction between work and play, this Inter-Aspect need not be too much of a problem.

Relationship Strengths

To varying degrees, these are the harmonious interactions that create pleasure, reward and fruitfulness - as well as providing you with the love, compatibility and understanding to manage and transform the Relationship Challenges.

★☆☆☆☆ True and mutual generosity

Angelia's Sun Sextile Brad's Jupiter

This interaction is bound to give rise to, or at least coincide with, personal advancement in both of your lives. The hallmark of this excellent aspect is that you help one another to improve your personal lots in a way that is altruistic. There's no thought of doing what one of you does for the other as requiring, or deserving, any sort of 'payment' - although one paying the other for something to help them out is a good example of the generosity that this coupling engenders.

This is all the more significant when considering that it's not just the individual ambitions of each other that you each assist, but rather something for the both of you. Of course, it could be said that what helps one in a partnership also helps the other, and indeed this is the essence of such a coupling - but in a more far-reaching way that either of you may yet appreciate.

This interaction is about prospering and growing - but in a wonderfully impersonal way. So, this aspect of your relationship is a real gift, a boost to, or restoring of, a belief that life is something great, holy even. You also make good travel companions because you believe that the road (of life) will take you where it will (together or apart), since you have a respect for each other's freedom.

★★★★★ Sober and industrious - Close One!

Angelia's Sun Trine Brad's Saturn

This interaction lends itself well to any kind of administration. As a couple you can function in a businesslike way, with each determining and knowing what roles to play or responsibilities to fulfil. This is by no means a romantic connection since it stresses the importance of the mundane and material side of life, but because of this, you can as a couple create stability and durability in so far as any more emotional contacts will allow or demand.

In terms of what you do for each other, Angelia can bring some light and play into the overly serious (or even downcast) areas of Brad's life, while she is given a sense of order and tradition by him. If Brad is the older of the two of you, then this coupling will accentuate these positive attributes, which means that the sense of order provided by Brad is more likely to be quite real and substantial. In any event, the stability and order, which is the hallmark of this interaction, can be attained if the two of you establish some rules and limitations that you are both happy to keep to. Notwithstanding other interactions, this aspect does confer mutual trust and reliability.

★★☆☆☆ Care and consideration

Angelia's Moon Sextile Brad's Jupiter

There exists a 'good feeling' between the two of you which has its roots in the fact that you mean each other no harm at a deeply instinctual and moral level. Put more positively, you are generous and considerate towards one another, and genuinely care what becomes of each other.

Together you're in touch with some of the best of human nature. You nurture or encourage each other's development, be it emotionally or materially, mentally or spiritually. Obviously, this interaction goes a long way towards sorting out (or preventing) any strife or misunderstanding caused by other interactions.

In fact, owing to the passivity of this interaction, it may well need some kind of challenge - from within or without your relationship - to call it into being. Such kindness that you create and have between you will also be of inestimable value in looking after or teaching others.

★★★★☆ **Stable stuff - Close One!**

Angelia's Moon Trine Brad's Saturn

At a very basic level you can rely upon one another: Angelia for being there emotionally, domestically and, if necessary, maternally; Brad for being materially and professionally committed. Either of you could actually fill both bills. This could be called a 'meat and potatoes' aspect because it provides those essentials of responsibility, duty and durability for home, family or business. Good, solid, lasting stuff.

However, unless your coming together was 'arranged' there would have to be more interesting or romantic interactions for you to have come together at all. Then again, this 'down home' sort of feeling between the two of you may remain just a notion if there are serious conflicts or illusions about and between the two of you.

But, whenever the boat rocks on choppy seas, this aspect serves as excellent ballast - but it isn't the kind to get you launched in the first place. Perhaps this interaction supports a traditional type of partnership with, for instance, the man being the breadwinner, and the woman being the mother and homemaker.

★★★★★ **Mental efficiency - Close One!**

Angelia's Mercury Trine Brad's Saturn

If a practical, working relationship is what you have in mind, then having this excellent interaction of 'mental efficiency' will ensure that commercial details, information and accounts, will be kept in excellent order. Also, relationships that necessitate one person being in authority over the other like teacher/student or parent/child, are facilitated by this aspect.

In a romantic relationship, your serious mental approach to things will ensure that problems are dealt with - as long as they're not too emotional or subtle. But day-to-day, mundane bumps are smoothed over and worked through efficiently and easily. Brad will always make sure that Angelia 'keeps on the case' in a practical way, whereas she keeps him informed with the latest 'down on the street'.

★☆☆☆☆ **Joy and abundance**

Angelia's Venus Trine Brad's Jupiter

Your being together creates prosperity, or at least a promise of it. It should be said that this prosperity can take many forms - money, property, good living, access to luxuries, and most of all, burgeoning love. You're both good news to one another; in whatever way or context this applies.

The crock of gold at the end of the rainbow - or simply a cup of water at the end of a dry and dusty road - is what this interaction represents. But wine will probably flow soon after - "Good times here, better down the road". There's one small snag with this combination, which is that it can blind you to, or distract you from, issues of more serious concern. All the same, this is an interaction of joy and abundance.

★★☆☆☆ **Bless this house**

Angelia's Venus Sextile Brad's Midheaven

One way and another you improve each other's lot - especially on the home and work front. Angelia's social or aesthetic assets cater to, or provide opportunity for, Brad's domestic and career requirements while he brings substance and confirmation to her worth and talents. As a pair, more than likely, others find you good to be around as you exude a sense of harmony and well-being.

★★★★☆ **Energy and control**

Angelia's Mars Sextile Brad's Saturn

This is what you could call a very useful interaction because it bestows practicality and industriousness. Apart from facilitating a business relationship, it also means that you're well able to assist one another in getting things done, or off the ground. This feeling of 'things to be done' that exists between you is of inestimable value because it counteracts any 'woolly' or overly romantic notions that are so common in many relationships.

This is a no-nonsense aspect. Angelia is very good at spurring Brad to action, even (or especially) in the areas where he feels inertia and doubt. In return, Brad shows Angelia how to be more mature in her choice of activities, and how to be more responsible where possibly she is selfish or headstrong. Because together you link energy and control, you can become a very effective team.

★★★★☆ **Physically aligned - Close One!**

Angelia's Mars Trine Brad's Ascendant

This interaction contributes to compatibility with regard to physical and sexual activity. You'll find that there's a ready response to each other's desires and bodily movements, with a minimum of inhibition relative to any innate reserve on either of your parts. This is not a strong interaction, but it can certainly oil the wheels of any ventures you choose to pursue together.

★☆☆☆☆ **True and mutual generosity**

Angelia's Jupiter Trine Brad's Sun

This interaction is bound to give rise to, or at least coincide with, personal advancement in both of your lives. The hallmark of this excellent aspect is that you help one another to improve your personal lots in a way that is altruistic. There's no thought of doing what one of you does for the other as requiring, or deserving, any sort of 'payment' - although one paying the other for something to help them out is a good example of the generosity that this coupling engenders.

This is all the more significant when considering that it's not just the individual ambitions of each other that you each assist, but rather something for the both of you. Of course, it could be said that what helps one in a partnership also helps the other, and indeed this is the essence of such a coupling - but in a more far-reaching way that either of you may yet appreciate.

This interaction is about prospering and growing - but in a wonderfully impersonal way. So, this aspect of your relationship is a real gift, a boost to, or restoring of, a belief that life is something great, holy even. You also make good travel companions because you believe that the road (of life) will take you where it will (together or apart), since you have a respect for each other's freedom.

★☆☆☆☆ **Mutual furtherance**

Angelia's Jupiter Trine Brad's Ascendant

You both blossom in the light and warmth of each other's attention. There may even be a 'master and protégé' quality about your relationship, rather as if one of you has the wisdom while the other has the image, or looks, to carry it off.

Metaphorically, or perhaps even literally, Angelia is the cultured and socially experienced person who grooms Brad, the naive youth. The creator and the created, the ultimate relationship; made possible because you both have the grace to acknowledge each other's individual qualities.

★★★★☆ **Friends until the end - Close One!**

Angelia's Uranus Sextile Brad's Sun

You have a very positive interaction because it has something that all too many relationships lack: a true sense of friendship. This means that you allow each other room to be yourselves, are open with one another, and that there's little or no possessiveness about each other.

Angelia has a liberating and awakening effect upon Brad, giving him new ideas and directions. Alternative or metaphysical subjects are very likely to be the means through which this effect happens, and you may well have met in a situation that was related to such matters. Groups involved in esoteric or unusual pursuits can be a significant part of your time together. In return, Brad validates or furthers Angelia's more original expressions and qualities, rather like a monarch would be a patron to an artist.

All of this positive interaction makes for a mutual attraction, mentally and/or physically, yet it does not necessarily confer the emotional stability that ensures a lasting tie. Paradoxically though, because you're always surprising one another with hitherto unknown facets of your characters, this relationship has a self-refreshing quality about it. Whatever the case though, that outstanding friendship should remain.

★★☆☆☆ **Mutual empowerment**

Angelia's Pluto Sextile Brad's Ascendant

Angelia makes Brad more deeply aware of how he expresses himself physically, how he appears, etc. However, because Angelia's affect is deep, it may not be immediately noticeable; but the sensation that Brad experiences upon first meeting Angelia is felt to be significant in that something 'moves' inside of him.

How Brad continues to respond to such a movement will depend greatly upon other interactions between the two of you. If Angelia is aware that she has this influence, then she can help Brad to become more aware of the hidden side that lies behind the outer façade, not just of himself, but of appearances generally. Angelia, in return, can feel pleasantly conscious of how she is able to penetrate to the core with both ease and intensity.

★☆☆☆☆ **Mutual furtherance**

Angelia's Ascendant Trine Brad's Jupiter

You both blossom in the light and warmth of each other's attention. There may even be a 'master and protégé' quality about your relationship, rather as if one of you has the wisdom while the other has the image, or looks, to carry it off.

Metaphorically, or perhaps even literally, Brad is the cultured and socially experienced person who grooms Angelia, the naive youth. The creator and the created, the ultimate relationship; made possible because you both have the grace to acknowledge each other's individual qualities.

★★★★☆ **Mutual furtherance - Close One!**

Angelia's Midheaven Trine Brad's Sun

Each of you encourages and provides for the other with respect to career and domestic matters. As a result, the one who does the giving is made to feel philanthropic, a reward in itself. If one of you has a position, or contact, of any power or influence they will directly or indirectly be an agent of good fortune for the other.

★★★★☆ **Mutual advancement**

Angelia's Midheaven Sextile Brad's Saturn

The professional position (or status) of one of you is of substantial help to the other, and vice versa. Under this influence both of you come to respect and be more aware of authority and its importance, either your own or someone else's. Mutual advancement is the name of the game here. It favours all business relationships. The domestic or private areas are also improved owing to this positive interaction.

Socio-Cultural Interactions

These Inter-Aspects consist only of the slower-moving Planets. These are Jupiter and Saturn, sometimes called the Social Planets, and Uranus, Neptune and Pluto, the so-called Transpersonal Planets as they go beyond the individual and have more to do with generations and the shaping of cultures and civilization itself. So they show how two people interact at these levels.

In some cases these interactions are hardly noticeable for they are absorbed into one's social and cultural milieu and not experienced as anything that 'personal'. However, by being made aware of them one is able to see advantages and setbacks that were previously 'invisible' and can thereby increase or reduce them.

In other cases, especially when one of the Planets involved figures strongly in other interactions, or is a Close One or a Double Whammy (see Introduction above), such Inter-Aspects can be felt to be very significant.

★★★★★ Sound support - Close One!

Angelia's Jupiter Sextile Brad's Saturn

If you have other interactions that indicate emotional and personal harmony and stimulation, then you'll find that you also have an aspect to your relationship here that is both enterprising and practical, confident and reliable. With Angelia supplying the vision, and Brad establishing the structure, you can build a relationship that in some way positively contributes to your society as a whole.

On a personal level, Angelia's expansiveness and optimism keeps Brad from getting too earthbound and downcast, while he makes sure that her ideas are grounded in common sense.

This can be a relationship that goes from strength to strength, if, as I say, there is more than just this mix of Angelia's sense of growth and Brad's sense of order. Otherwise, you'll be culturally, socially and religiously in tune - and on a business level too maybe, but without the interpersonal feelings of love and care it would be a bit like dough without the yeast or heat to make it into bread.

☆☆☆☆☆ Efficient teamwork

Angelia's Saturn Sextile Brad's Uranus

Angelia is able to affirm what's unique about Brad, or at least, make him constructively aware of how he should and could fit better into the status quo. Brad on the other hand, can show Angelia new ways of looking at life that clarify difficult issues and impartially point out where she is possibly being her own worst enemy.

And so there's a mutual problem solving element to this interaction which is useful, to one degree or another.

This is essentially a contact of sound and sincere friendship, or of working together on some specific project. If yours is an emotionally intimate relationship, you draw upon this resourcefulness and sense of 'unconditional comradeship' to get you through rocky patches. Taken further still, you could as a pair, or part of a team, be instrumental in helping others through difficulties.

★★★★★ Creative teamwork - Close One!

Angelia's Saturn Trine Brad's Neptune

You have a great thing going for you both here because each of you takes care of (and teaches) the other just what they need to have, or know, at the time. The underlying reason for this is because Angelia has a sound grip on reality just where Brad doesn't, while he is aware of another dimension of reality that can greatly relieve and enlighten Angelia.

More precisely, Brad gives Angelia a practical awareness of her psychic abilities and insights, and of how she perhaps carries out her duties in more (or better) ways than she had allowed herself to think. Angelia gives substance to Brad's vision and imagination - possibly furthering a creative venture - as well as allaying any unfounded anxieties. As a team, you would be very successful and effective where both a sense of form and imagination is required - like, for instance, film-making, speculation or psychotherapy.

★★★★☆ **A business like arrangement**

Angelia's Saturn Sextile Brad's Pluto

This is an extremely down-to-earth interaction with Angelia helping Brad find his place in the world, and giving stability to his insights or feelings of loneliness. Brad's part of the 'deal' - because this is what this aspect of your relationship amounts to - is to confirm or intensify Angelia's sense of authority at a deep level.

At the same time, Brad will also eliminate Angelia's dead wood - sometimes quite ruthlessly. Angelia won't give in easily here, but this is what gives Brad's persistence the seal of approval. This no-nonsense element of your relationship is bound to profit both of you, no matter whatever else happens. You have the businesslike side of relating in hand, and as such this helps a business partnership.

★★★★★ **Compassion and goodwill - Close One!**

Angelia's Neptune Trine Brad's Jupiter

At a very basic level you have spiritual compatibility. This means that as human beings you are always 'human' towards one another in that you maintain a certain gentle tolerance and respect.

Friends and associates will pick up on this harmonious vibration - possibly quite subliminally - and like to be around you, or even seek your help and sympathy in times of trouble. How much you make out of this, or don't, is the question.

On the one hand, such passivity is developing towards something all on its own peaceful accord. On the other, it can cause you to just coast along in a nice, but somewhat ineffectual fashion.

Ideally, if you're both evolved to some degree spiritually, then you can 'use' this spiritual energy to achieve greater good. Compassion and goodwill, are, after all, the basic ingredients of this basic compatibility.

★★★★★ **Head versus heart - Close One!**

Angelia's Neptune Square Brad's Uranus

Here you have a clash between intuition and compassion, which means that where Brad takes a scientific, detached and impersonal view of things, Angelia is mystical, sentimental and subjective. Consequently, Brad can miss the subtle and sensitive messages that Angelia puts out, some of which are often complimentary to him.

Conversely, Angelia often suffers needlessly for want of seeing things impartially and as part of a greater process by tuning into Brad's wavelength. This is an interaction of misunderstanding rather than outright incompatibility.

★★★★☆ **Intensity versus sensitivity**

Angelia's Neptune Square Brad's Pluto

Brad, in his urge to impress, or get what he desires, may overlook the subtleties and protective veils that Angelia has around her being. So, what can happen is that, in looking for strength in Angelia, Brad finds what he sees as weakness or evasiveness, overlooking the fact that his emotional missile was misguided at the outset.

To make things more confusing, Angelia just might become quite addicted to these shows of power, yet at the same time try to avoid such invasions. If Angelia was given the chance, she could show Brad how to 'go more gently into the night' - that is, into the unknown of someone's emotional interior.

However, unless this aspect is a Close One, it will probably just amount to a general conflict created by the individual differences in your respective world views as established by your formative years occurring at different times in social history.

★★★★☆☆ **Morals versus passions**

Angelia's Pluto Opposition Brad's Jupiter

Moral principles are thrashed out through the sexual or other powerful forms of involvement that make up your relationship. This interaction makes it clear that giving into your passions ultimately leads to some kind of reckoning, or that sooner or later ethical standards will have to prove themselves to be more than just opinions.

The possibility of blame and recrimination is strong with this interaction as Angelia's emotional urges or convictions clash with Brad's beliefs. The contrast between the two should serve to make you both more aware of where you stand with respect to these issues.

Ultimately, what you're both after is some form of philosophy that goes deep enough to enable you both to understand what it is about human nature that draws us downwards and inwards, despite, or because of, our best intentions or sense of what's right and what's wrong.
