## Introduction to Your Soul Guide

As the planets move through the Heavens in their individual orbits they form angles to the positions the planets occupied at the time of your birth. This report interprets the way these planetary movements effect you as an individual, and explains how they influence your relationships, your attitudes, and your life as a whole. It will also provide guidance as to how you can make the most of your opportunities when they arise, as well as helping you to maximise your strengths, and minimise your weaknesses.

## Understanding your report

Your Year or Month Soul Guide analyses the effects of these planetary movements, and indicates **Keyphrases** and **Themes**, as well as **Possible Encounters**.

Repeating waves of influence will appear as repeated interpretations in the report. This is a natural and regular occurrence.

## Important

Timing: Planetary influences can be felt for days - or even months - before and after the dates provided, depending on the intensity of the transits. The accuracy of your given birth time will also affect the timing of the interpretations, especially in relation to your Ascendant, Midheaven and Moon. Therefore, if you are unsure of your exact birth time, less attention should be paid to interpretations relating to your Ascendant, Midheaven and Moon as these can be reliable only if the time you give is precise.

## From about: 1 January 2009 to about: 8 January 2009

Transiting ♃ ☐ your natal ♀

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

**Key Phrases:** Thinking Big - Too Busy - Overlooking Details - Mind-Broadening

**Theme:** A powerful emphasis upon your Mercury Profile, when the best and the worst of your mental ability and attitude are in play.

Everything seems to happen at once now, which is fulfilling if you are organized and exasperating if you are not. Similarly, you have a more than usually broad perspective and overview of things at present, especially involving work or study programs - so you are able to plan ahead and achieve a great deal during this period. But if you wish to have the co-operation of others - or not feel let down by yourself - avoid getting carried away by enthusiasm, inflated expectations, or just plain arrogance. Also check the 'fine print'.

**Possible Encounters:** Mental Activity - Meetings and Journeys - Getting Deflated

**From about: 1 January 2009 to about: 7 January 2009**

Transiting ♃ ☐ your natal ♃

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

**Key Phrases:** Belief versus Freedom - Increasingly Radical - Exaggerated Uniqueness

**Theme:** The forced emphasis of your Uranus Profile, through magnifying your desire to be true to yourself.

You feel that 'something's got to give', and if it doesn't then you'll make it do so! Whatever happens now is in aid of giving you a stronger sense of you as a one-off individual. This can mean being constantly pulled this way and that as your morals conflict with your urge to be free, or, for example, it might suddenly land you with the opportunity to do something entirely different.

Restlessness can be a particularly disruptive force in you right now, but you could more than satisfy such feelings through simply doing something that you'd never normally do. The pull or desirability of investing your time and energy in new ways of living and looking at life is strong now. Such involvements can act as a springboard into a fresh chapter in your life, where the world is more your oyster than ever it was before.

**Possible Encounters:** Unexpected Chances - Significant Coincidences - Release of Tension

**From about: 1 January 2009 to about: 13 January 2009**

Transiting ♃ △ your natal ☉

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Freeing Your Will - Awakening Creativity - Renewing Vitality

**Theme:** Opportunities to become more keenly aware of your Sun Profile, thereby enabling you to make positive changes in your life.

Under this influence you can, if you wish to, revolutionize your lifestyle. This is because prevailing circumstances offer you the chances and facilities to develop or redevelop yourself. The kinds of people and situation with which you are now involved allow you to make the most of your original and creative attributes.

Also the studying or utilising of anything that is concerned with advancing knowledge and broadcasting information - technology, astrology, metaphysics, media - is now well-starred. Essentially, this is a time for making all things NEW! And it is an especially good time for beginning any program that will make you feel a new person - particularly with regard to your health. The more eager you are to make creative changes now, the more opportunities will arise to help you do just that.

**Possible Encounters:** Stimulating Friendships - Alternatives - Expert Assistance

**From about: 1 January 2009 to about: 9 February 2009**

Transiting ♃ △ your natal ♀

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Liberating Relationships - Creative Innovation - New/Renewed Love

**Theme:** Opportunities to gain original experience of your Venus Profile through changing your manner of relating, and your social or artistic expression.

This period can be quite uplifting as you find yourself with more freedom to be and show who you really are as a social and creative being. You appreciate now that there is no one exactly like you in the whole universe, and as such you feel more able to express your unique values and style.

During this time, you attract people and experiences that recognize and appeal to your specialness. Existing relationships can have new life breathed into them; new relationships are the breath of life itself. You appreciate Kahlil Gibran's injunction concerning love between two people 'Let the winds of the heavens dance between you'.

**Possible Encounters:** Unusual and Stimulating People and Experiences - New Pleasures

**From about: 1 January 2009 to about: 17 January 2009**

Transiting ♃ △ your natal ♄

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Keyphrases:** Removal of Restriction - Time to Move On - Awakening to Duty

**Theme:** Opportunities to understand anew your Saturn profile, through making original use of your experience and your limitations.

This is a time for making necessary changes in your material circumstances, but without creating instability or impossible expectations. You are presently at your most 'scientific', for you are equally aware of both theory and practice.

As such, you proceed in an orderly fashion, clearing away in the process anything that has outlived its usefulness. Those in authority recognize this and reward it; they may even clear away those obstacles for you, but do not bank on this. Consequently, you see your path ahead of you - and your new responsibilities - far more clearly.

**Possible Encounters:** Professional Advancement - Technical Studies - New Systems

**From about: 14 January 2009 to about: 22 January 2009**

Transiting ♃ △ your natal AS

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Key Phrases:** Expanding your Viewpoint - Improving Relationships

**Theme:** Opportunities to make more of your Ascendant Profile, through enlarging your sense of being in the world, thereby attracting rewarding relationships.

You feel a growing sense of largesse with regard to your attitude towards other people and life in general. You begin to see more of the total picture of life, and your place in it. This can have decidedly religious or philosophical overtones, and you have less time for petty thoughts and petty people.

But you are also feeling quite philanthropic, and are more inclined to point out the wider issues of a given subject. Naturally enough, your current urge to take more in would be well satisfied through some course of study, for all knowledge and experience is like food and wine to you now. So eat, drink and be merry!

**Possible Encounters:** Mutual Profit and Understanding - Enlightened Perspectives

**From about: 26 January 2009 to about: 17 June 2009**

Transiting ♀ ☐ your natal AS

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

**Keyphrases:** Purging Negative Attitudes - Deepening Awareness

**Theme:** The intensification of your Ascendant Profile, thereby stressing the power and importance of a positive outlook, and the necessity of developing such in order to understand and manage previously hidden fears and obsessions.

This is a time when the shadow side of your personality comes to the fore, your 'shadow' being that element of your nature which you have consciously or unconsciously regarded as dark, inferior, anti-social or even evil. Alternatively, this shadow could represent itself as someone coming into your life that has a powerful or destructive influence over you. In either case, you experience an intense quality in the way you relate to the world.

This upheaval may give you a desire to dominate and control your environment, or again, someone could try doing that to you. At this time you to feel more than usually intimate with life, in that you sense a passion and an inevitability about it all that can either be awe-inspiring and motivating, or threatening and despair-inducing. It all depends how familiar you previously were with that shadow side of your personality, and how much you have learnt - or can now learn - to accept it, express it, tame it, and ultimately channel it into to some creative or healing work where power and influence find their proper place.

All relationships with others are strongly affected at this time, in that any underlying urges or fears come to the surface. Dealing with these honestly and thoroughly will be difficult, but after the storm is over, the state of your world and your relationships, and your outlook upon them, will be vibrant and fresh - like sunshine after rain.

But trying to avoid such issues, and leaving them merely at the stage of fear resorting to manipulation, or of hidden desires stealing moments in the dark, or of suspicion devolving into paranoia, attracts a black cloud that will darken your life for quite some time to come. Try reading or re-reading the tale of 'Beauty and the Beast', for in it you'll find many helpful echoes of your present situation.

**Possible Encounters:** Powerful Presences - Moving Relationships - Power Games

**From about: 1 February 2009 to about: 2 March 2009**

Transiting ♃ ✖ your natal ♀

**Significance:** This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

**Keyphrases:** Stabilizing Relationships - Firmer Finances - Practically Creative

**Theme:** Opportunities to be practical and objective with regard to your Venus Profile, making for a happier life.

This a good time to make ties - be they financial or emotional - for you are at your most level-headed now. You are inclined to take - or accept - a mature point of view, a conservative evaluation. Also, getting down to any creative project is facilitated by a basically balanced attitude. Moreover, whatever ructions or changes might be occurring during this time, this sense of equilibrium acts as an anchor; an anchor that very likely takes the form of a dependable partner or friend.

**Possible Encounters:** Ordinary Love - Loyalty - A Mature Mate - Mutual Profit

**From about: 4 February 2009 to about: 6 June 2009**

Transiting ♃ ♀ your natal MC

**New Cycle**

**Significance:** This is a very strong influence. It energises the situation in hand and both forces and enables you to advance and grow.

**Keyphrases:** Course Correction - Power in High Places - Inner Rumbings

**Theme:** The intensification of your Midheaven Profile, through the scrutinizing of your standing in the world, giving rise to some form of professional and/or personal transformation. **Once-in-a-lifetime start of a new 'Life-Direction Cycle'.**

What you amount to in the world now becomes an issue that requires your deepest consideration. During and around this time, events could well occur that force you to re-appraise the validity of your position in life, the direction in which you are headed, and the ways and means that you employ in order to achieve your ends. Merely pursuing material goals, guided by material standards, will not suffice now.

Initially, you may experience some form of advancement, but if you are using even slightly devious means to do so, or are bucking the system in some way, then there will be hell to pay at a later date. Then again, you may have to 'buck the system' in order to be true to your calling. And your calling is precisely what you now have the opportunity to become aware of. Indeed, and possibly in quite a roundabout fashion, circumstances now demand that you align yourself with your true work - which may not have very much to do with your present job.

As a counterpoint to your outer standing in the world, your inner or domestic life is also scheduled for some form of overhaul during this period. So a home move, and/or some kind of delving into your roots, is a very likely corollary to your present change in direction. In fact, such a move is what could give rise to that change. In any event, your past is revisited or left behind in order to make way for future progress.

**Possible Encounters:** Your True Vocation - Power Struggles - Family Upheavals

**From about: 5 February 2009 to about: 13 February 2009**

Transiting ♃ △ your natal ♃

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Key Phrases:** Positive Changes - Increasing Insight - Mounting Influence

**Theme:** Opportunities to make more of your Pluto Profile, through experiencing a stronger sense of wealth and power.

Generally, this is a time when you can improve anything that needs improving. The secret is to approach and launch any such endeavours in a spirit of everyone benefiting from them; you then find that 'the more you give, the more you get' is in fact a Law of the Universe rather than just a nice idea. You also notice during this period that the world itself is more alive to this Law - and is all the more so for your personally taking advantage of it.

**Possible Encounters:** Favours - Regeneration - Gains - Support from High Places

**From about: 6 February 2009 to about: 14 February 2009**

Transiting ♃ ✖ your natal ♃

**Significance:** This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

**Key Phrases:** Spiritual Furtherance - Increased Acceptance - Gentle Speculation

**Theme:** Chances to make more of your Neptune Profile, through a better understanding your compassion and sensitivity.

This influence is soft, even dreamy, and not particularly dynamic - so it brings a time of being able to tune into the Universe, and go with its intentions more than your own. Consequently, getting the best - or anything at all - out of this period greatly depends upon what you understand this to mean.

If you are by nature into doing 'good works' or looking into the meaning of life, then this will help you to do so even more. If you are more self-interested, this might just give you a glimpse of a greater and more meaningful life than you believed existed, which may simply be seen in the plight of one other or many others.

**Possible Encounters:** Guides or Gurus - Idealism - Uplifting Experiences

**From about: 11 February 2009 to about: 19 February 2009**

Transiting ♃ ☐ your natal ♂

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

**Key Phrases:** Excess Energy - Confidently Assertive - Over-reaching/Over-reacting

**Theme:** The forced emphasis of your Mars Profile, through an exaggerated urge to put yourself forward or to come first.

You could be rather arrogant at this time - or you'll cross swords with someone who is. It would be a pity to waste this surge of personal drive merely on feeling indignant, so endeavour to channel such energy into a constructive pursuit. But even if you do get on your high-horse or fly off the handle, you are likely to discover 'muscles' you didn't know you had. But a mixture of moderation and taking the initiative would be the best way of harnessing this force. However, failing to express your desires or be sure of your own space at this time could give rise to inner tension.

**Possible Encounters:** Collisions with Authority - Lustfulness - Selling - Sport

**From about: 18 February 2009 to about: 15 March 2009**

Transiting ♃ ✖ your natal ♃

**Significance:** This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

**Keyphrases:** Stabilizing Position - Drawing from Experience - Smooth Running

**Theme:** Opportunities to be practical and objective with matters relating to your Saturn Profile, thus enabling you to manage current situations efficiently.

This marks a stage in your life when it is a sense of authority, be it your own or another's that assists and guides you. This is not in itself a particularly creative or dynamic influence; but it is steadying. And you will feel the benefit of this when you observe how well regulated certain parts of your life are, and how much respect for work well done serves you. Mature and measured expressions of your personality attract support, and pave your path into the future. For it is your balanced objectivity, which is the hallmark of this period, that can now be profitably used to improve or firm up anything that requires it.

**Possible Encounters:** Official Approval - Helpful Elders - Good Timing

**From about: 20 February 2009 to about: 17 March 2009**

Transiting ♃ ✖ your natal ☉

**Keyphrases:** Running Smoothly - Healthy Will - Steady Living - Groundwork

**Theme:** Opportunities to be practical and objective with regard to your Sun Profile, thereby consolidating your position.

Whatever needs stability and working upon in your life, now is the time to apply yourself to it, for at present you are more patient and disciplined than usual, and likely to synchronize your activities with those in positions of influence and authority. You can now be the 'well-oiled machine' that gets things done efficiently and on time. Any difficulties are simply taken in your stride.

**Possible Encounters:** Responsible Individuals - Helpful Elders - Recognition

**From about: 10 March 2009 to about: 19 March 2009**

Transiting ♃ △ your natal ☾

**Significance:** This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

**Key Phrases:** Feeling Good - Increased Security - Happy Families

**Theme:** Opportunities to make more of your Moon Profile, through understanding better your own and others' needs.

This is not a particularly powerful influence, but you can make the most out of it by investing time and energy in whatever makes you and others feel safe and comfortable. And the more you cultivate what is familiar and nest-like, the more you'll attract goodwill from others. When linked with more dynamic influences, this time could be one of prosperity or securing something important.

**Possible Encounters:** Nature's Gifts - Religious Influences - Good Women

**From about: 24 March 2009 to about: 3 April 2009**

Transiting ♃ ☐ your natal ☉

**Key Phrases:** Increased Sense of Self - Full Life - Self-importance - Overextended

**Theme:** Forced emphasis on your Sun Profile, giving you a stronger sense of being alive - for better or worse.

If you are normally on the shy or self-effacing side, now is a good time to get more in touch with your self-esteem and sense of enterprise, or you will encounter an excess of the same qualities in others. If you are usually fairly (or apparently) confident, you could find yourself being overbearing, too busy - and unlucky, through expecting too much. In either case though, there should be an urge to expand - but how you gauge this is the critical issue.

**Possible Encounters:** Opportunities for Growth - Big Egos - Fat Chances - Joy

**From about: 30 March 2009 to about: 10 April 2009**

Transiting ♃ ☐ your natal ♀

**Key Phrases:** Increased Attraction - The Joy of Love - Over-indulgence

**Theme:** A powerful emphasis upon your Venus Profile, making you more aware of your relationships, values, art and love.

Everything about your social and love life - the good, the bad, and the indifferent - is now magnified. You might go from the one extreme to another in the space of a few hours - from having fun to being distraught, and back again. Or one day you could be wildly enthusiastic about someone in your life, and next day feel they are limiting your freedom. Needless to say, it is probably sensible to wait until this period is over before making any decisions. But then again, such extremes could well see someone else making a decision for you.

**Possible Encounters:** Significant Ones - Windfalls/Spending Sprees - Fun and Games

**From about: 14 July 2009 to about: 3 August 2009**

This is a good influence to have around when sustained mental effort or concentration is needed. Physical activity that requires concentration is also well-starred, and could lead to the discovery and regeneration of other dimensions of your being. Transiting ♃♂ your natal AS

**New Cycle**

**Significance:** This is a very strong influence. It energises the situation in hand and both forces and enables you to advance and grow.

**Keyphrases:** Testing Presentation - Getting It Together

**Theme:** The powerful necessity of being true to your Ascendant Profile, through having to brave the world as you put yourself and your interests forward as having definite worth. **Start of a new 29.5 year 'Identity Cycle'.**

This is a highly significant period in your life, for you are emerging, or rather re-emerging, into the world after several years of some degree of withdrawal. It may not have been a particularly conscious retreat because the re-assessing of how you wish to present yourself to the world, and what as, has been taking place in much the same way as your body would assimilate a large meal while you carried on the business of living.

But that 'large meal' was the last 29.5 years of your life - or the whole of your life if you are under that age. And so two main questions arise now: Are there any old issues from the past that still need to be closed or dealt with before you can make a fresh start, and, What has the emergent you got to offer or involve yourself with that is going to give a definite purpose for the future?

Theoretically, and traditionally, you would be advised to clear away the former before getting on with the latter. But in reality, you are probably finding yourself living out a mixture of both as you strive to straighten out old ties and commitments, while at the same time endeavouring to make that new beginning or launch that new product or project.

Consequently you have your work cut out for you now, while you represent yourself to the material world with all its, and your, strengths and weaknesses being heavily emphasized. If you are trying to do too much, or do it too quickly, Saturn will find a way of slowing you down. Conversely, where you are on target, some influential or authoritative figure will appear on the scene to assist you substantially.

To keep matters as manageable as possible then, you'll need to cut out any dead wood, in the form of outworn habits, haunts and relationships. Later in your life you will look back at this time as the beginning of an important new chapter in your life, and you will see quite clearly what just had to shape up or ship out. For now though, you are having to thrash this out as best you can - in the knowledge that this new version of you will get through.

**Possible Encounters:** Firm Impressions - Concrete Reality - Material Resistance

**From about: 23 November 2009 to about: 28 December 2009**

Transiting ♃ ☐ your natal MC

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your current strengths and weaknesses.

**Keyphrases:** Testing Progress - Professional/Domestic Balance

**Theme:** Having to be practical and objective about your Midheaven Profile, through reconciling where you are going with where you are coming from, or where you are with where you ought to be.

This can be the hardest part of the climb, in the sense that the balance between your professional life and your personal life becomes a critical issue. If you have been too involved with feathering your nest and not paid enough attention to amounting to something in the world, then you now feel trapped, and prevented from being 'somebody'.

But this would be because you have taken the line of least resistance and slotted into a niche that has now turned into a prison. To break out of this dilemma, which would probably involve loosening or even severing family ties, will take some doing. But the choice is yours: brave the dog-eat-dog world, or settle for staying in the kennel!

On the other hand, if you have neglected your personal or domestic life for the sake of getting on in the world, you could now feel rather empty. You may even be deserted, by those you have taken for granted. So whatever the warning signs here, you must get down to finding out who you are as a person, as opposed to what you are in your job.

The above are extremes of imbalance, but all the same, to some degree it is now necessary for you to check out that you and yours are happy with the current domestic/professional set-up, and to reconsider the validity or feasibility of the course you have taken.

**Possible Encounters:** Aborted Projects - Necessary Setbacks - Family Crises

**From about: 28 November 2009 to about: 31 December 2009**

Transiting ♃ ☐ your natal AS

**Significance:** This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

**Keyphrases:** Purging Negative Attitudes - Deepening Awareness

**Theme:** The intensification of your Ascendant Profile, thereby stressing the power and importance of a positive outlook, and the necessity of developing such in order to understand and manage previously hidden fears and obsessions.

This is a time when the shadow side of your personality comes to the fore, your 'shadow' being that element of your nature which you have consciously or unconsciously regarded as dark, inferior, anti-social or even evil. It all depends how familiar you previously were with that shadow side of your personality, and how much you have learnt - or can now learn - to accept it, express it, tame it, and ultimately channel it into to some creative or healing work where power and influence find their proper place.

All relationships with others are strongly affected at this time, in that any underlying urges or fears come to the surface. Dealing with these honestly and thoroughly will be difficult, but after the storm is over, the state of your world and your relationships, and your outlook upon them, will be vibrant and fresh - like sunshine after rain.

But trying to avoid such issues, and leaving them merely at the stage of fear resorting to manipulation, or of hidden desires stealing moments in the dark, or of suspicion devolving into paranoia, attracts a black cloud that will darken your life for quite some time to come. Try reading or re-reading the tale of 'Beauty and the Beast', for in it you'll find many helpful echoes of your present situation.

**New Cycle**

**Significance:** This is a very strong influence. It energises the situation in hand and both forces and enables you to advance and grow.

**Keyphrases:** Course Correction - Power in High Places - Inner Rumbblings

**Theme:** The intensification of your Midheaven Profile, through the scrutinizing of your standing in the world, giving rise to some form of professional and/or personal transformation. **Once-in-a-lifetime start of a new 'Life-Direction Cycle'.**

What you amount to in the world now becomes an issue that requires your deepest consideration. During and around this time, events could well occur that force you to re-appraise the validity of your position in life, the direction in which you are headed, and the ways and means that you employ in order to achieve your ends. Merely pursuing material goals, guided by material standards, will not suffice now.

Initially, you may experience some form of advancement, but if you are using even slightly devious means to do so, or are bucking the system in some way, then there will be hell to pay at a later date. Then again, you may have to 'buck the system' in order to be true to your calling. And your calling is precisely what you now have the opportunity to become aware of. Indeed, and possibly in quite a roundabout fashion, circumstances now demand that you align yourself with your true work - which may not have very much to do with your present job.

As a counterpoint to your outer standing in the world, your inner or domestic life is also scheduled for some form of overhaul during this period. So a home move, and/or some kind of delving into your roots, is a very likely corollary to your present change in direction. In fact, such a move is what could give rise to that change. In any event, your past is revisited or left behind in order to make way for future progress.
